THREE DAYS TECHNICAL CUM CULTURAL INTER COLLEGE FEST IN GATEWAY (CORONA 2014)

A Three days technical cum cultural inter college fest was held in GIET including GENESIS- technical events day1, RHYTHM AND SALVO day 2 and 3 respectively from 13/3/14 – 15/3/14. GENESIS began with enthusiasm on the bright vibrant morning of March 13th, 2014 with the blessings of almighty and ended with the inspiring play of ASMITA THEATRE GROUP. Green Chorus music band enthralled the audience on the 3rd day of CORONA 2014 and forced everyone to dance on their beats without stopping. Team CORONA left no stone unturned in making the GIET premises colourful enough to exhibit its festive zeal. The decoration team beautifully decorated the entire college, exhibiting their talent of producing best out of waste to add further glow to their work.

The event on the whole was a success but there are always chances to do something more, something better i.e. "Always More and Always better". As far as the best part of Corona is concerned, the ample participation was something that made the event a great success. On a whole the event was flawless and ended in the best way possible.

GENESIS' 2014

The three days annual technical cum cultural fest, began with enthusiasm on the bright vibrant morning of March 13th, 2014, with the blessings of almighty. Nothing could have been more perfect than GENESIS to mark the beginning of this techno cultural fusion with the gale of technical events. The inauguration of the event was done by the esteemed college management, who initiated the scheduled events of the day. The inauguration was splendid by the presentations of the students, where they portrayed their dream projects, which was the main theme of GENESIS' 2014.

The technical events were chosen strategically, touching every aspect of engineering i.e. including the events related to all the engineering branches and hence the total number of events were eleven. The participation in all the events was beyond imagination. The count was much greater than the expected number of the participants. The other participating colleges included SBIT, IITM, DCRUST and Hindu College of Engineering. There was common registration which facilitated the students to participate in all the events at a minimal amount of Rs. 50, excluding LAN Gaming. GENESIS added spice to the day by including some non-technical events like Just a Minute. GENESIS would not have touched the zenith if ASMITA THEATRE GROUP would not have been here. The play by the group left the mob spell bound, and gave a thought to the youth to ponder over, so to make our society a better place to live in.

CORONA 2014

(RHYTHM AND SALVO DAY)

Corona "panache of glory" was the fest organized by the students of Gateway Institute of Engineering and Technology. It included lots of interactive and enriching events which honed the technical skills and the hidden talent of the students. Rhythm and Salvo was on 2nd and 3rd day of the fest, respectively. These two days of the fest included lots of cultural activities, as the day hosted events like singing, dancing, poetry, drama. The end of the 2nd day was marked by a grand Dj night, with fun and frolic. Grand celebration with a famous band Green Chorus had mark the end of CORONA 2014 on the night of March 15, 2014. Corona helped the academic Institutes to pin together the students from across the region, thus promoting the spread of innovative ideas. Corona was not just for fun but it also added values and experience to student's personality.

VOLLEYBALL MATCH

On 10th and 11th march 2014, inter college volleyball competition was held at DCRUST, Murthal. Volley ball team of GIET performed well and secured 1st position. Participants were awarded with gold medals and certificates by Vice Chairmen of DCRUST, Murthal. Students seemed to be fully encouraged to perform better in future after winning this competition. Winning team along with our Director of physical education Mr. Ram Kumar GIET were welcomed By Principal Dr. Vijay Mittal.

NUKKAD NATAK

Theatre Group of GIET showed their talent by performing in a competition of cultural fest of IITM Nukkad Natak and secured 3rd position. Students were encouraged by Principal for their efforts and asked to left the audience spell bound by their performances in future as well.

GAMES AT IITM

Cricket team of GIET participated in the inter college cricket match competition held at IITM, Murthal from 25/3/14 - 29/3/14 and secured 1st position. Students left the GIET feel proud to win such competitions from time to time in various inter college competitions. Girls also participated in games like chess, badminton both singals and doubles.

FIRE DRILL TRAINING

To train the ancillary staff of the college, fire drill was organized on 26th march 2014, by the college management in the premises of GIET. Motive of such training was not only to train but also to handle the weird situations if any by chance.

TRAINING SEMINAR BY HCL

As per the trend of Gateway for the motivation of students time to time seminar and workshops are being held in campus. Recently HCL conducted a seminar, motivating the students for technical training in GIET to continue the motivation.

FAREWELL PARTY

A farewell party was hosted by the 3rd year students for final year students as the trend of Gateway. It was inaugurated by chairman, Executive chairman, Principal and all Hod's by lighting of lamp. Welcome speech by Principal Dr. Vijay Mittal ended with mixed feelings of meeting and parting. Different events like dance, skit, and singing were presented by the students to enthrall the audience. Rohit left the audience spell bound with his rope dance. All the final year students let the audience felt the glamour with their ramp walk. Students were awarded different titles including Mr. and Ms. Farewell. Parteek Mehta from electronics and laldinisangi from civil were given the titles of Mr. and Ms. Farewell. Mementoes were distributed to all the final year students by Hod's of respective departments. Besides that a title 'Student of the Year' was awarded by the principal, Dr. Vijay Mittal to students Snigdha from CSE, Aishwarya from ECE, Parmatma from Mechanical and Rohit Antil from CE. To give vent to their feelings 3rd year students displayed the college life of final year students through a presentation. It was so touching that no one could stop crying.

Best part of the farewell went with a message "Go Green". The theme was represented by displaying neon bands and to write some quotes by everyone in scrap book who so ever headed the 'Red Carpet'. Party ended with 'Dj Night' and delicious dinner.

LIST OF NEW JOININGS AT GIET

Gateway time to time recruits faculty as per the requirements of AICTE for the betterment of students. Recently for the coming semester various experienced and well qualified faculty members have been recruited to run different departments smoothly.
