

## **Radhika Nagpal** **Vice Principal**

Bachelor of Architecture  
Chandigarh College of Architecture, Chandigarh

Masters in Urban & Rural Planning  
DCRUST University , Murthal, Sonipat.

Radhika is the Vice-Principal of Gateway College of Architecture and Design, Sonipat.

As a Masters in Urban & Rural Planning she has also studied and maintains a keen interest in City Planning and Tourism. As a senior faculty, she brings her experience from practice to combine with her teaching of Architectural Design and Design Theory. With her teaching philosophy advocating the study of Humanities as an essential subject in shaping design thinking and sensitive architecture, she has mentored many generations of students who have grown to become successful professionals.

She has done a course in Teaching and School Management and has a proven track record as an able administrator. She heads various committees of academic, faculty and student affairs.

Herself a speaker with strong communication skills, she has organized and hosted numerous seminars and talks.
