

## **Rajeev Sharma** **Assistant Professor**

Bachelor of Architecture, 2008- 2013  
Madhav Institute of Technology and science, Gwalior

Rajeev Sharma graduated as an Architect from Madhav Institute of Technology and Science, Rajiv Gandhi Proudhyogiki Vishwavidhyalaya, Bhopal, India.

Before getting associated with Gateway Group of Institutions, he worked as a junior architect with the Building Team, Gwalior. In the role of junior architect, he participated in a wide range of projects including residential, commercial, educational and healthcare ventures in both private and public sector.

Having a keen eye into innovation and technology, he participated in multiple competitions as a student. Prominent involvements include the competition organizer from Aditya Birla group, Saint Gobain, School of planning and Architecture, Bhopal, National Institute of Orthopedically Handicapped, Kolkata. He also works as public relations manager with a digital magazine, named Urban Précis, focused on developing dialogue about urban issues.

Rajeev Sharma has been associated with the Gateway family since 2016. Since then he is involved in teaching and mentoring students. He shows a commendable involvement with students, continuing his spirit of winning, which resulted in accomplishment of winning awards on national level by students, appreciated a couple of time by Aditya Birla group for the same. Having a zeal to contribute more he is with us and contributing on a positive note.
