

## **Rathindra Narayan Bhattacharya** **Associate Professor**

Bachelor of Architecture, 1998  
Jadavpur University, Kolkata

Masters in Architecture (Building Services), 2013  
Jamia Millia Islamia, Delhi

He has about 15 years of experience in the field of Architecture in multiple organizations. Worked as Project Manager for prestigious projects in different Organizations both in design and the construction supervision teams. Also has experience in handling In-house Quality Assurance Programmes (ISO-14000). As a certified GRIHA trainer, has been part of the Green Building certification processes for different projects.

His association with Gateway College of Architecture started in 2014. Since, then he has been mostly associated with Design Studios for senior batches where, apart from being a facilitator focus has always been on overall mentoring of students so that they graduate as thorough professionals and good citizens.

As the coordinator of Extra-curricular activities of Gateway he takes active interest in conducting variety of weekly activities with active support from students and faculty members.
