

**Prof. Radhika Nagpal**

Prof. Radhika Nagpal Principal, Gateway College of Architecture and Design, Sonapat Prof. Radhika Nagpal is the Principal of GCAD and a highly respected figure in the field of architecture with a work experience of 36 years. She is an elected member of the Council of Architecture, and she is one of the five representatives in the council from architectural institutions across the country. She is a member of the board of studies of architecture education for the PG/UG diploma courses. Additionally, she is a member of the CoA

committee responsible for revising the minimum standards for architectural education. She has been on several international and national juries like the JK AYA Awards. With a Master's degree in Urban and Rural Planning, she possesses a strong interest in city planning and tourism. She is a seasoned academician who combines her practical experience in the field with innovative teaching methodologies. She advocates for the study of Humanities as a crucial subject in shaping design thinking and sensitive architecture. Her teaching philosophy has mentored many generations of students who have gone on to become successful professionals. She has a proven track record as an able administrator and heads various committees for academics, faculty, and student affairs. Prof. Radhika Nagpal has organized and hosted numerous seminars and talks, demonstrating her commitment to promoting architectural education and innovation. She is a strong pillar of the institution, contributing significantly to its growth and development.
