

Ms Preeti is associated with **Gateway Education** as an Assistant Professor since **March 2019**. She is an active member of various committees of the department. She did **M.Sc, M.Phil** in Mathematics from MD University. Now she is doing **PhD from BMN University**. Her area of research is fixed point theory. As a Researcher, She keeps an interest in many applied field of mathematics.

Initially she started as an assistant professor of Mathematics in DITM from 2013 to 2015. Then she got an opportunity to join MSIT and then since from 2019, she is teaching in Gateway education.

She has attended various workshops, **AICTE** sponsored faculty development programme.

Being an impassioned teacher, she believes that teaching is not merely restricted to making the students understand the underlying concepts of a course but also to learn new techniques, develop critical thinking and evaluate alternate approaches for problem-solving.
