Placement Policy – 2025

Dear All,

It gives me immense pleasure to share the Gateway Education Placement Policy – 2025, which has been carefully designed to streamline student career development efforts across all institutions of Gateway Education including GIET and GCAD.

This policy document as attached has been framed with the core objective of ensuring fairness, transparency, discipline and equal opportunities for our students as they prepare to step into the professional world. The model emphasises our institutional motto - “One Student – One Offer”—while introducing structured processes for student readiness, industry coordination, training, internships, company categorisation, eligibility guidelines and discipline standards essential for successful career outcomes.

I would like to place on record my sincere appreciation for the Principals GCAD & GIET, Head Placement & Alumni relations HODs, Head AS& H Cell and Faculty Placement Coordinators for their valuable inputs and dedicated efforts in formulating this document. The extensive guidelines, eligibility criteria, company classifications, drive processes and various provisions reflect the collective commitment of the institution towards strengthening employability.

This policy is now effective immediately and must be implemented in letter and spirit. All Principals & HODs are advised to disseminate the content widely and support students in understanding and adhering to all provisions.

I am confident that this framework will significantly enhance campus placements, strengthen student readiness and deepen our industry engagement while upholding the discipline and dignity of Gateway Education.

Your cooperation and continued support are earnestly solicited.
