This event was designed to celebrate the intellect, leadership, and strategic thinking of women while fostering a spirit of empowerment and collaboration.

About the Event

Quizotika: Chapter 3 – She Shines was structured into two exciting and challenging rounds, where participants had the opportunity to showcase their knowledge, critical thinking, and problem-solving skills:

A fast-paced MCQ-based round, where solo women participants tested their general awareness, logical reasoning, and subject knowledge.

This round aimed to highlight individual excellence and quick decision-making skills.

The top 12 finalists from Round 1 were paired into 6 teams, ensuring diverse collaboration across different academic backgrounds.
