

Ms. Reena Rani, the Librarian here at Gateway Education. With a passion for research, information management, and student engagement, I am dedicated to providing a resourceful and welcoming learning environment for all students and faculty.

I hold a **Degree of Master's in Library and Information Science in 2016 from Maharishi Dayanand University, Rohtak (Haryana) and Bachelor's in Library and Information Science in 2015** and have 7 years of experience in academic librarianship. Whether you need help with research projects, navigating online resources, or finding the perfect book, I am here to assist you.

At Gateway Education Library, we strive to support academic excellence by offering a vast collection of books, journals, and digital resources. Feel free to reach out to me at [librarian.ge@gateway.edu.in](mailto:librarian.ge@gateway.edu.in) or visit the library for any assistance.

I look forward to helping you make the most of our library resources!
