

FEBRUARY STORIES 2026

Namaste.

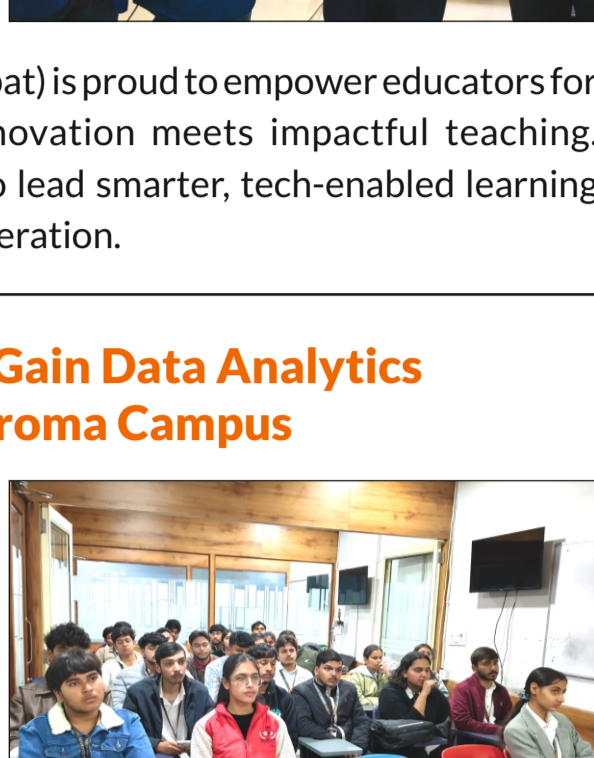

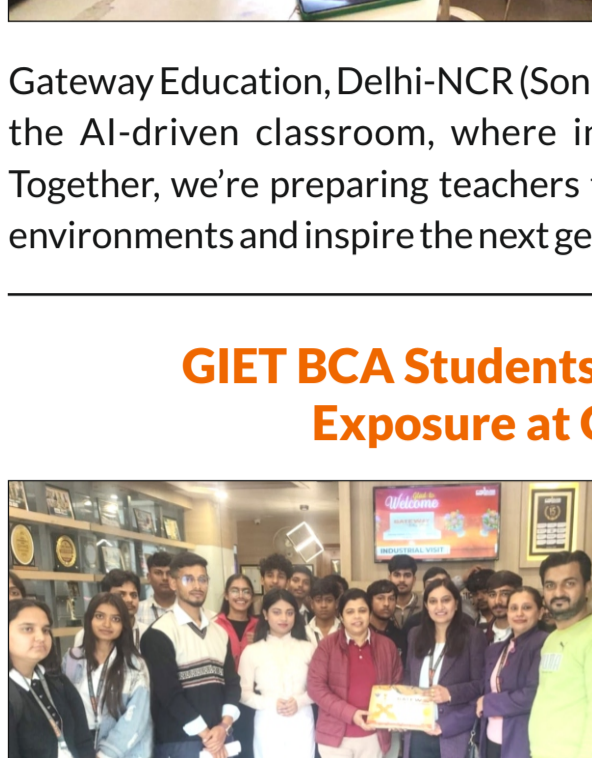

February arrives like a whispered promise—quieter than the rush of beginnings, yet deeper in its intention. The days are still cool, but there is a softness in the light, a subtle warmth hinting at change. Mornings feel tender, as if winter itself is learning to loosen its hold. The rhythm of life steadies; what was once a resolution now becomes practice, gentle and sincere.

Real-World Learning Through Alumni Connect

Gateway Education, Delhi-NCR (Sonipat), our Alumni Talk Series brought real-world exposure to life as Ms. Deepansa shared valuable industry insights with management students. Such interactive sessions help students bridge the gap between theory and practice and prepare confidently for the corporate world.

GIET Organizes Yakult Industrial Visit for AIML Students

GIET Computer Science organized an insightful Yakult Industrial Visit for first-year AIML students, offering hands-on understanding of industrial processes, technology integration, and professional practices. A step closer to industry-ready education at Gateway Education, Delhi-NCR Sonipat.

Preparing Teachers for Smarter, Tech-Enabled Learning

Gateway Education, Delhi-NCR (Sonipat) is proud to empower educators for the AI-driven classroom, where innovation meets impactful teaching. Together, we're preparing teachers to lead smarter, tech-enabled learning environments and inspire the next generation.

GIET BCA Students Gain Data Analytics Exposure at Croma Campus

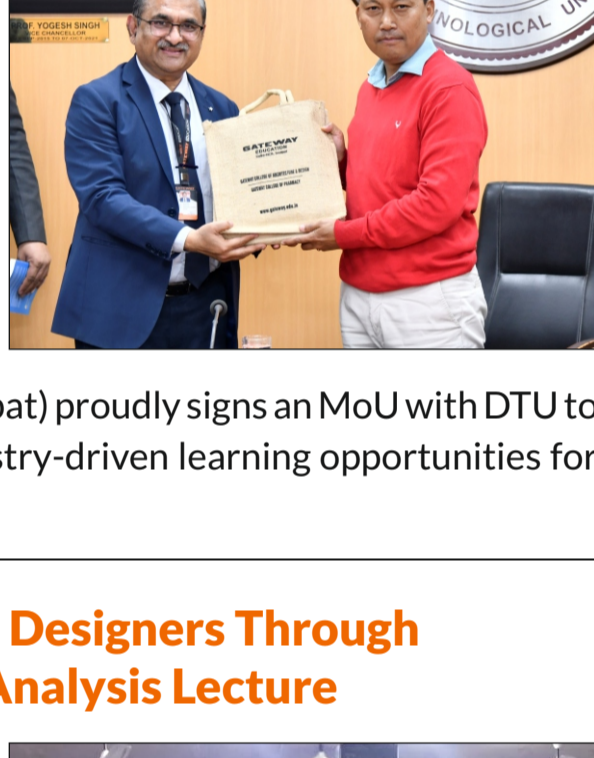

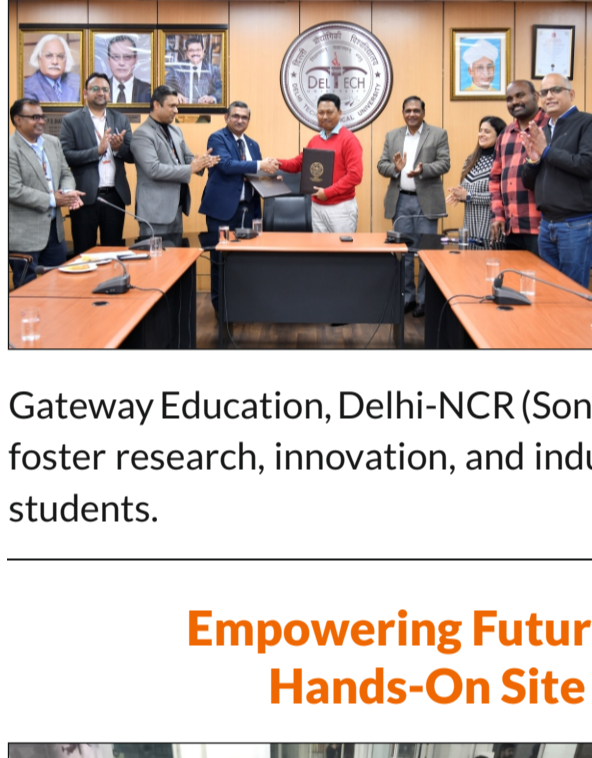

GIET Sonipat BCA students gained valuable hands-on exposure in Data Analytics during an insightful industry visit to Croma Campus, Noida, organized by Gateway Education (Delhi-NCR, Sonipat). A step closer to industry readiness, practical learning, and future-ready tech careers.

GCAD Hosts Japanese Language Guest Lecture

Gateway College of Architecture & Design successfully conducted an insightful Guest Lecture on "Introduction to Japanese Language & Its Importance". The session was led by Mr. Atishaya Jain, Founder of Japanese Ninja, who introduced students to the fundamentals of the Japanese language while highlighting its growing relevance in global academics, professional opportunities, and cultural exchange.

Gateway Education Strengthens Rural Outreach with Unnat Bharat Abhiyan

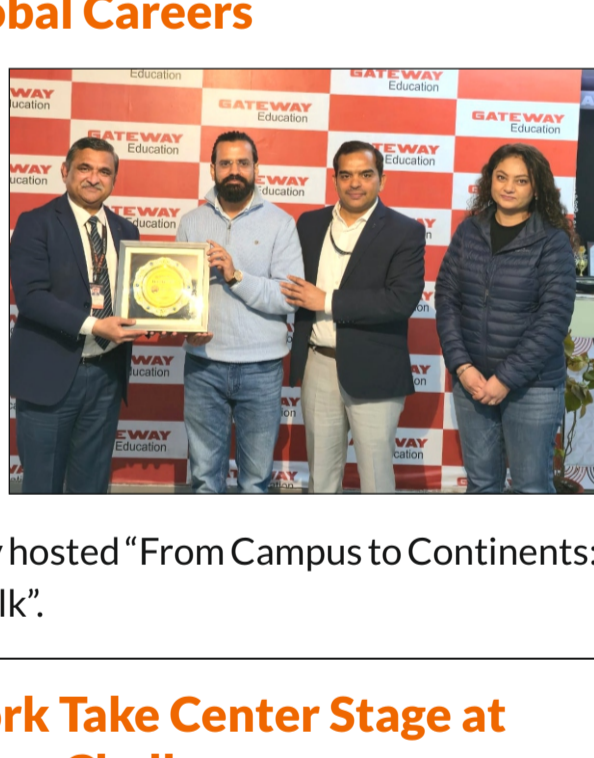

Gateway Education proudly contributes to Unnat Bharat Abhiyan, bridging the gap between higher education and rural aspirations. Through awareness sessions, mentorship, and guidance, we're helping students from rural Haryana dream bigger and achieve more. Together, we build a stronger, educated Bharat.

Gateway Education Promotes Financial Awareness and Digital Security

Gateway Education, Delhi-NCR (Sonipat) is committed to building financially aware and digitally secure students for a smarter future. Through expert sessions and practical insights, we nurture responsible, informed, and future-ready leaders.

Hands-On Emergency Response Training for Gateway NSS Volunteers

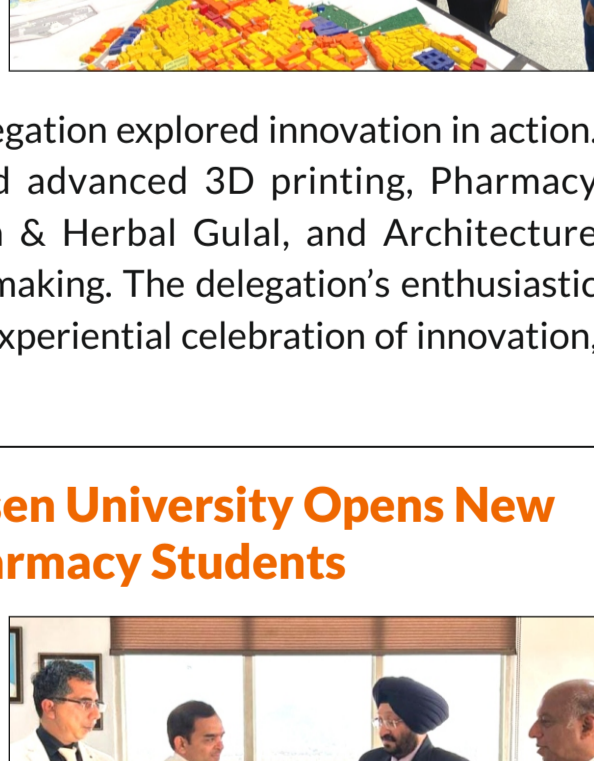

Gateway Education NSS volunteers successfully enhanced their disaster management and emergency response skills through intensive hands-on training at the Yuva Aapda Camp. A step forward towards building responsible citizens and a disaster-resilient India.

Industry Learning in Action at Lotte ChocoPie Rohtak

GIET BBA & MBA students experienced hands-on learning with a real-world industry visit to Lotte ChocoPie (Rohtak Factory). This exposure helped them understand manufacturing processes, quality management, supply chain operations, and corporate culture—turning theory into practical insight.

Gateway Education Hosts Insightful HR Conclave

HR Conclave at Gateway Education, Delhi-NCR (Sonipat) was all about powerful conversations, industry insights, and meaningful networking.

Gateway Education and DTU Join Hands for Industry-Driven Learning

Gateway Education, Delhi-NCR (Sonipat) proudly signs an MoU with DTU to foster research, innovation, and industry-driven learning opportunities for students.

Empowering Future Designers Through Hands-On Site Analysis Lecture

Guest Lecture at GCAD, Sonipat (Delhi-NCR) where we explored how practical site analysis transforms creative vision into impactful architecture. Grateful to interact with such passionate and future-ready designers.

Empowering Students with Financial Literacy and Investment Insights

Investor Awareness Program on Financial Literacy at Gateway Education, Sonipat—building financially confident and future-ready leaders.

GCAD Students Explore Materials in Banjara Market, Gurugram

Third-year Architecture students visited Banjara Market for an insightful material study. Exploring reclaimed wood, carved panels, metal fittings, tiles, and lighting, they gained hands-on exposure to material quality, cost comparison, sustainability, craftsmanship, and practical applications. The visit bridged classroom learning with real-world practice, enhancing their material sensibility and design decision-making skills.

Guiding Pharmacy Students Towards Global Careers

Gateway College of Pharmacy proudly hosted "From Campus to Continents: Global Leap - Immigration & Career Talk".

Innovation and Teamwork Take Center Stage at GIET Debugging Challenge

Gateway Education's GIET Debugging Challenge showcased innovation, teamwork, and real-time problem-solving skills that power future tech leaders.
