

## JULY STORIES 2026

Namaste.

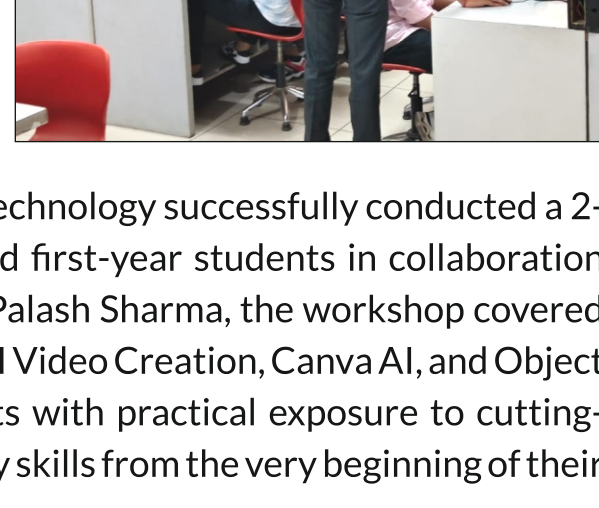

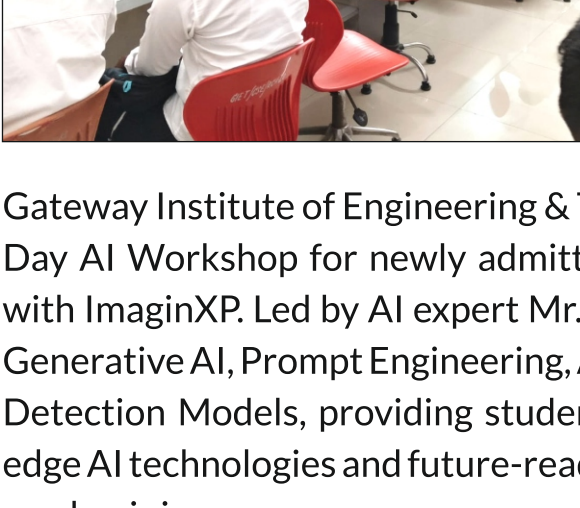

July arrives with a confident warmth, embracing the heart of summer in all its vibrant splendor. The days are long and sun-filled, with brilliant skies stretching overhead and golden evenings that linger well beyond sunset. Heat settles comfortably across the landscape, bringing a sense of vitality and abundance to every corner of nature. Trees stand lush and full, gardens burst with vivid color, and meadows sway gently beneath the bright summer sun. The air is rich with the fragrance of blooming flowers, fresh greenery, and sun-warmed earth, while the gentle hum of summer fills each passing day. Mornings begin bright and refreshing, and afternoons glow with energy, inviting outdoor adventures and moments of quiet relaxation alike. July does not seek attention through haste or change; it unfolds with steady confidence, encouraging celebration, exploration, and a deep appreciation for the season at its most radiant.

### Celebrating National Glory: Meghna Secures 3rd Place at the Senior National Qazak Kuresh Championship

Heartiest congratulations to our student Meghna for securing 3rd Position in the Senior National Qazak Kuresh Championship, held at Shri Madhav Jan Sewa Nyas, Samalkha, Haryana, from 26th–28th June 2026.

### A Divine Beginning: Hawan Ceremony at Gateway College of Pharmacy

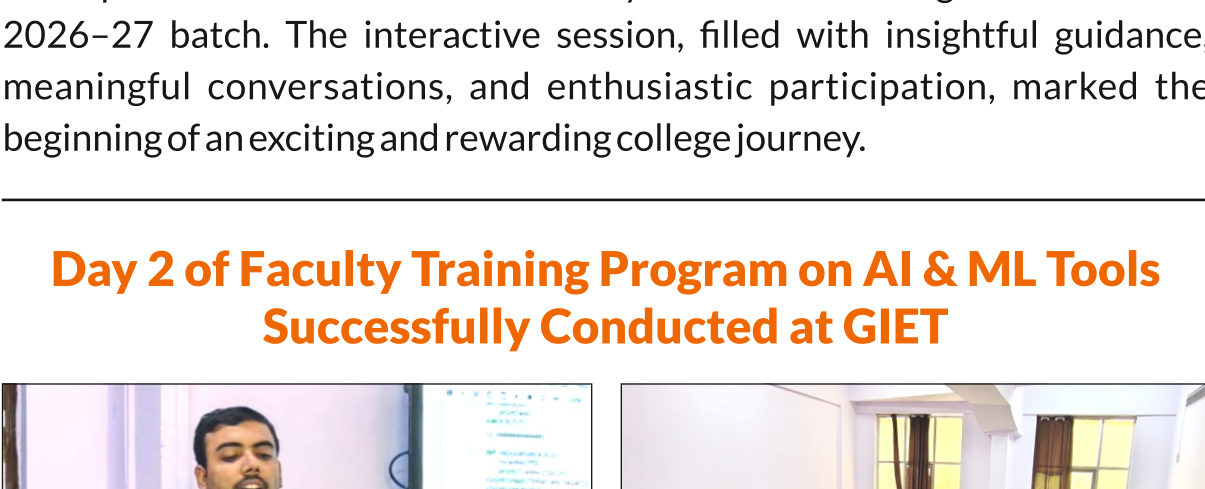

Gateway Education thrilled to share glimpses of the auspicious Hawan Ceremony held at Gateway College of Pharmacy, Delhi-NCR, Sonipat. This sacred ritual marks the inauguration of our Sacred Temple of Knowledge and Devotion.

### Empowering Freshers with AI: A 2-Days Workshop on Future Technologies

Gateway Institute of Engineering & Technology successfully conducted a 2-Day AI Workshop for newly admitted first-year students in collaboration with ImaginXP. Led by AI expert Mr. Palash Sharma, the workshop covered Generative AI, Prompt Engineering, AI Video Creation, Canva AI, and Object Detection Models, providing students with practical exposure to cutting-edge AI technologies and future-ready skills from the very beginning of their academic journey.

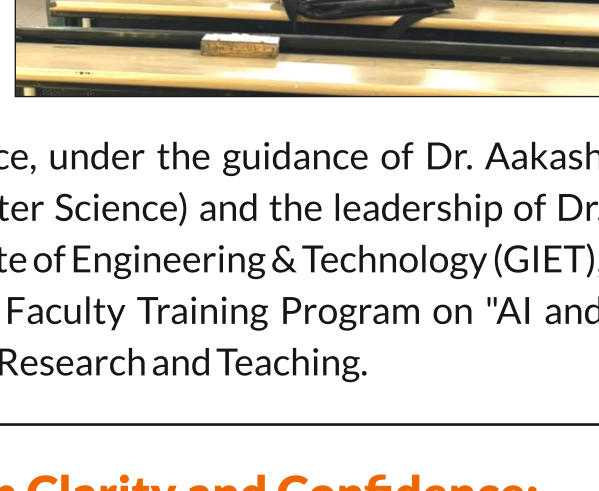

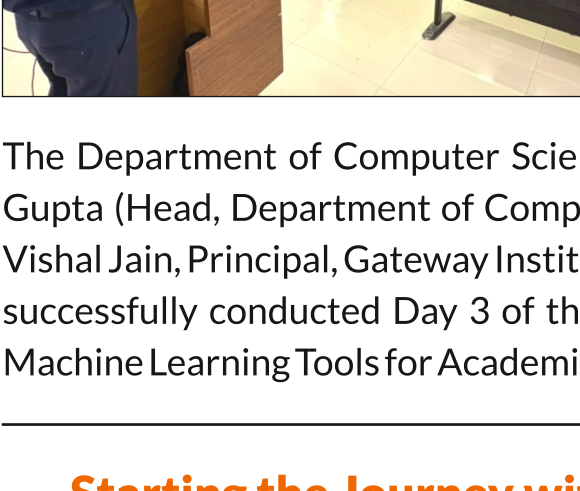

### Faculty Training Program on AI & ML Tools Inaugurated at GIET

The Department of Computer Science, under the leadership of Dr. Vishal Jain, Principal, GIET, and the guidance of Dr. Aakash Gupta, Head of the Department, successfully inaugurated the Faculty Training Program (FTP) on "AI & ML Tools for Academic Research and Teaching."

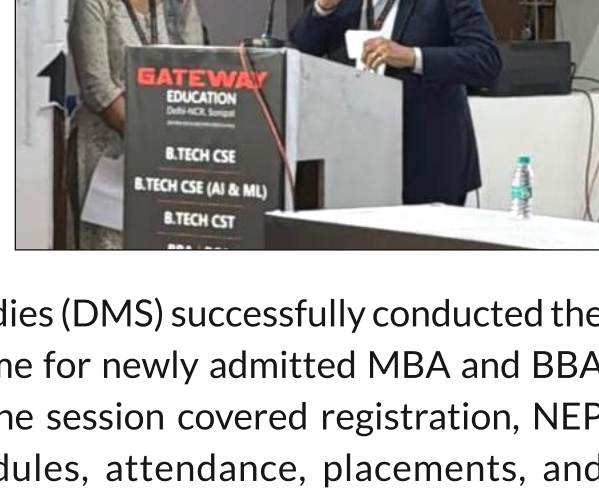

## Navankur 2026:

### A Warm Welcome to New Beginnings

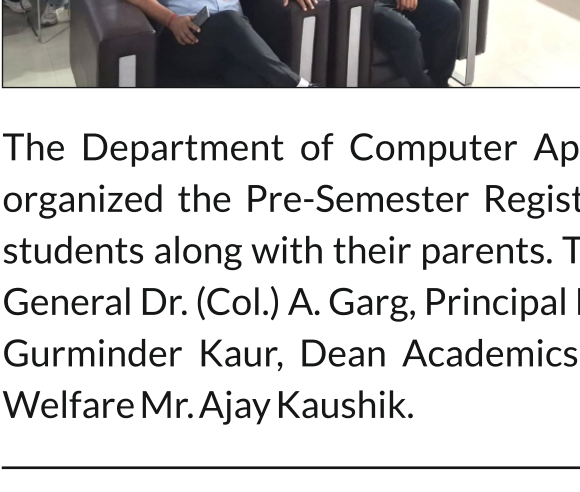

Gateway Education proudly welcomed the newly enrolled students and their parents to Navankur – Faculty Orientation Programme for the 2026–27 batch. The interactive session, filled with insightful guidance, meaningful conversations, and enthusiastic participation, marked the beginning of an exciting and rewarding college journey.

### Day 2 of Faculty Training Program on AI & ML Tools Successfully Conducted at GIET

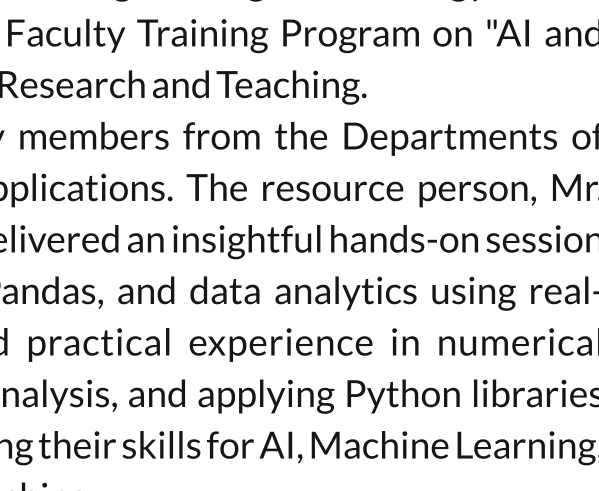

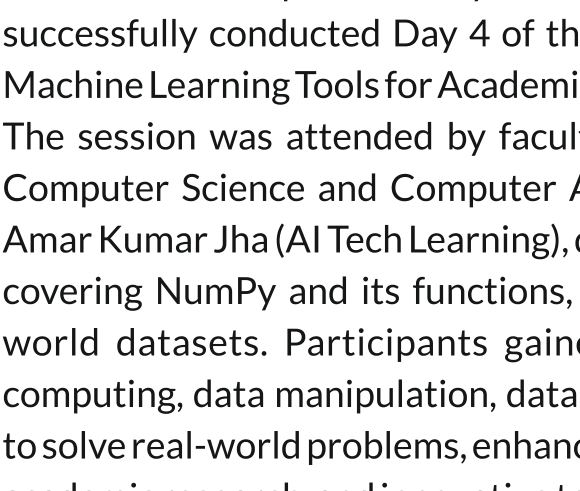

The Department of Computer Science, under the guidance of Dr. Aakash Gupta (Head, Department of Computer Science) and the leadership of Dr. Vishal Jain, Principal, Gateway Institute of Engineering & Technology (GIET), successfully conducted Day 2 of the Faculty Training Program on "AI and Machine Learning Tools for Academic Research and Teaching."

### GIET Continues Faculty Empowerment Through Advanced AI & ML Training

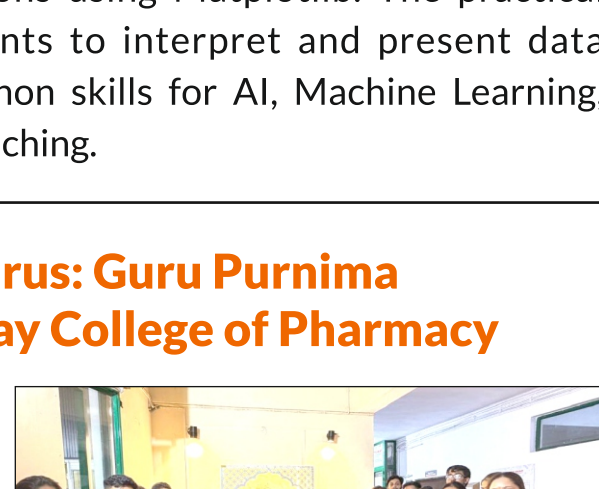

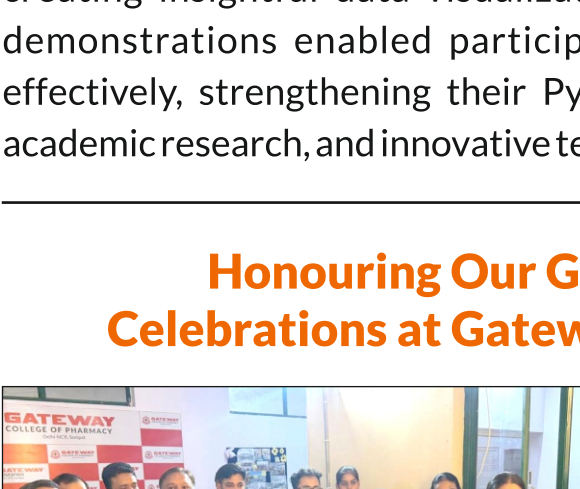

The Department of Computer Science, under the guidance of Dr. Aakash Gupta (Head, Department of Computer Science) and the leadership of Dr. Vishal Jain, Principal, Gateway Institute of Engineering & Technology (GIET), successfully conducted Day 3 of the Faculty Training Program on "AI and Machine Learning Tools for Academic Research and Teaching."

### Starting the Journey with Clarity and Confidence: DMS Pre-Semester Programme

The Department of Management Studies (DMS) successfully conducted the Pre-Semester Registration Programme for newly admitted MBA and BBA students along with their parents. The session covered registration, NEP curriculum, scholarships, fee schedules, attendance, placements, and campus facilities. Students also completed registration formalities and participated in an interactive Q&A with faculty, ensuring transparency, clarity, and a confident start to their academic journey at Gateway Education.

### A Promising Start: Pre-Semester Registration Programme for BCA & MCA Students

The Department of Computer Applications, GIET Sonipat, successfully organized the Pre-Semester Registration Programme for BCA and MCA students along with their parents. The programme was graced by Director General Dr. (Col.) A. Garg, Principal Dr. Vishal Jain, Head of Department Dr. Gurminder Kaur, Dean Academics Mr. Sunny Singla, and Dean Student Welfare Mr. Ajay Kaushik.

### GIET Faculty Training Advances with Real-World Data Analytics Applications

The Department of Computer Science, under the guidance of Dr. Aakash Gupta (Head, Department of Computer Science) and the leadership of Dr. Vishal Jain, Principal, Gateway Institute of Engineering & Technology (GIET), successfully conducted Day 4 of the Faculty Training Program on "AI and Machine Learning Tools for Academic Research and Teaching."

The session was attended by faculty members from the Departments of Computer Science and Computer Applications. The resource person, Mr. Amar Kumar Jha (AI Tech Learning), delivered an insightful hands-on session covering NumPy and its functions, Pandas, and data analytics using real-world datasets. Participants gained practical experience in numerical computing, data manipulation, data analysis, and applying Python libraries to solve real-world problems, enhancing their skills for AI, Machine Learning, academic research, and innovative teaching.

### Strengthening Research and Teaching Skills through AI & ML Tools: Day 5 Faculty Training Session at GIET

The Department of Computer Science, under the guidance of Dr. Aakash Gupta (Head, Department of Computer Science) and the leadership of Dr. Vishal Jain, Principal, Gateway Institute of Engineering & Technology (GIET), successfully conducted Day 5 of the Faculty Training Program on "AI and Machine Learning Tools for Academic Research and Teaching."

The session was attended by faculty members from the Departments of Computer Science and Computer Applications. The resource person, Mr. Amar Kumar Jha (AI Tech Learning), delivered an engaging hands-on session covering the Pandas library and Matplotlib. Participants learned techniques for data cleaning, manipulation, and analysis using Pandas, along with creating insightful data visualizations using Matplotlib. The practical demonstrations enabled participants to interpret and present data effectively, strengthening their Python skills for AI, Machine Learning, academic research, and innovative teaching.

### Honouring Our Gurus: Guru Purnima Celebrations at Gateway College of Pharmacy

On the auspicious occasion of Guru Purnima, Gateway College of Pharmacy organized a Guru Poojan ceremony to express gratitude and respect for our revered teachers, celebrating the timeless bond between mentors and students.

### Nurturing Nature: Mega Tree Plantation Campaign at Gateway Education

Gateway Education, Delhi-NCR, Sonipat successfully organized the Mega Tree Plantation Campaign – "एक पेड़ माँ के नाम" on 30th July 2026 under the joint initiative of the NSS Cell and EEM Cell. The event was graced by Mr. Amar Kumar Jha, Senior Corporate Trainer & AI Consultant, as the Chief Guest, in the esteemed presence of Dr. Col. A. Garg, Director General, Gateway Education. The programme was coordinated by Mr. Ashish Aggarwal, NSS Programme Officer, and Mr. Lalit Gureja, Head, EEM Cell, with enthusiastic participation from faculty members, staff, NSS volunteers, and students.

### Dr. (Col.) A Garg

Director General  
Gateway Education
