

Namaste.

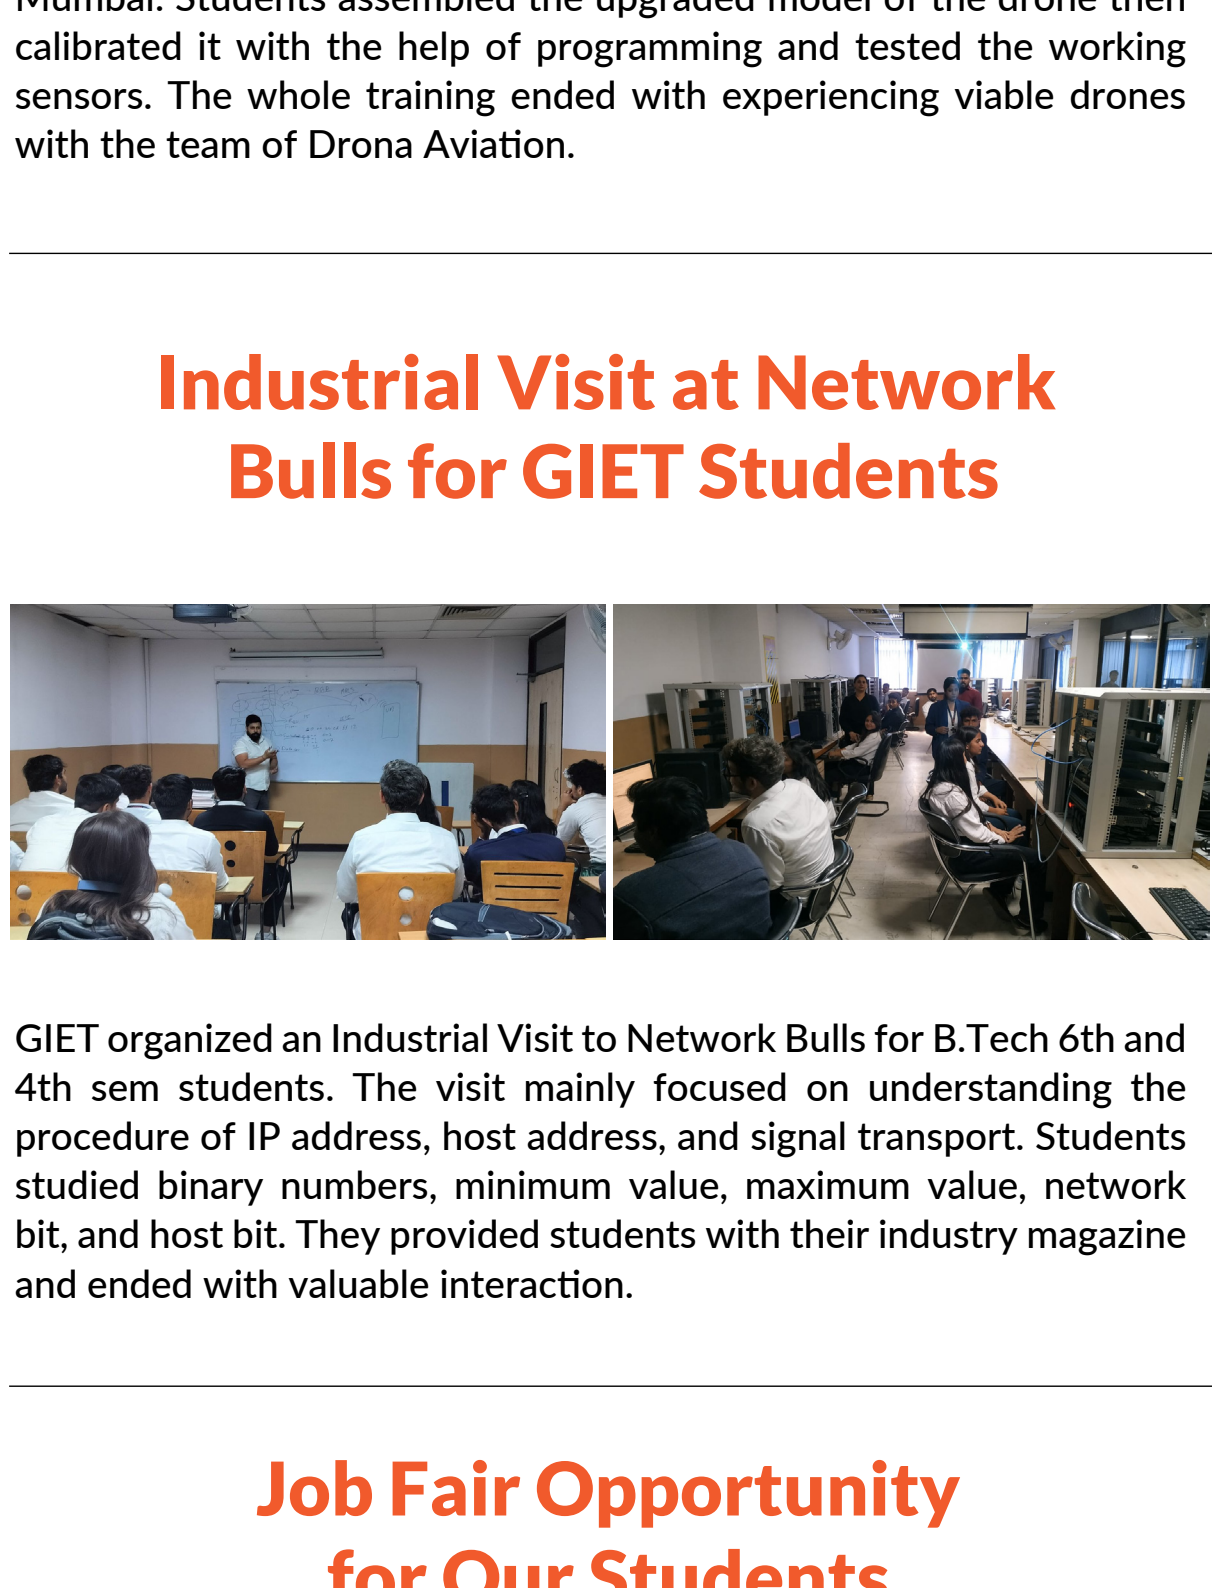

The month of March is all about colors, cheers, and lots of reasons to be happy. This month, we at Gateway also found out our moments of joy and celebrations.

A Session on Innovation & Creativity for Gateway Students

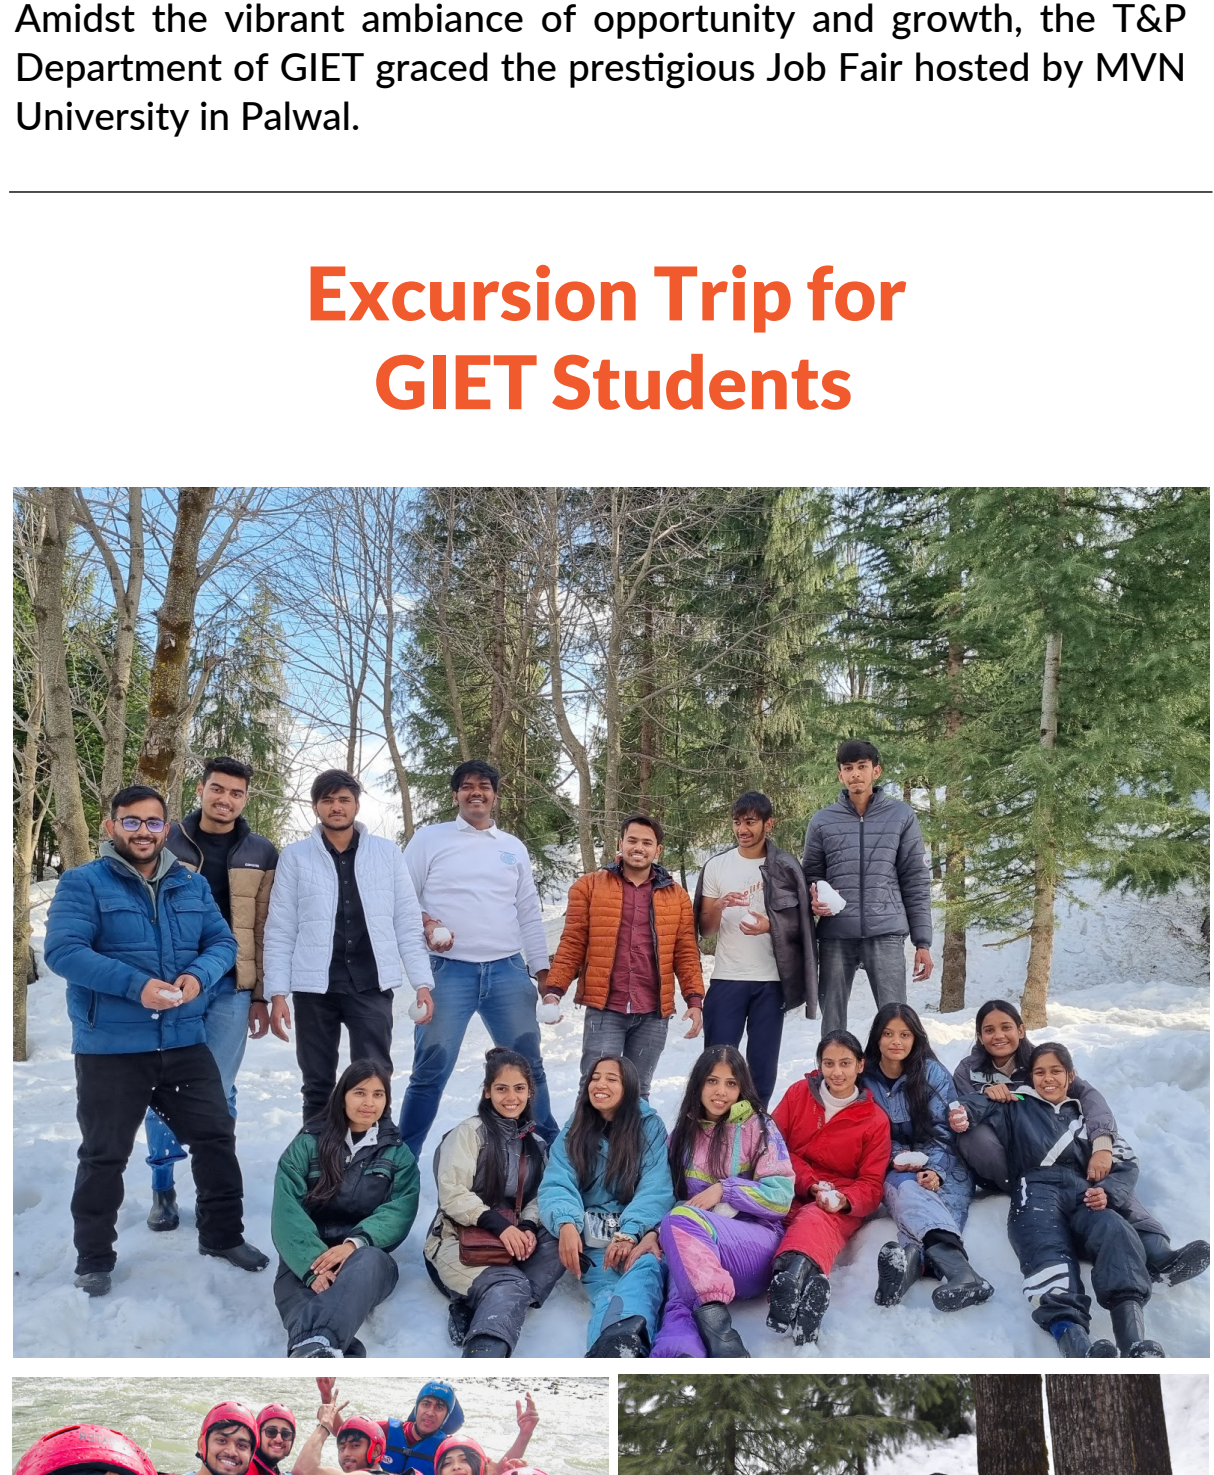

Gateway Education organized a session on innovation and creativity for all the students. Dr. Wayuru Amarnath, an expert innovator, was invited to this session. Some of Dr. Amarnath's expertise is passionate creation, innovation advocacy, design & development, implementation, and continuous improvement.

Gateway Received Membership Certificate from CII

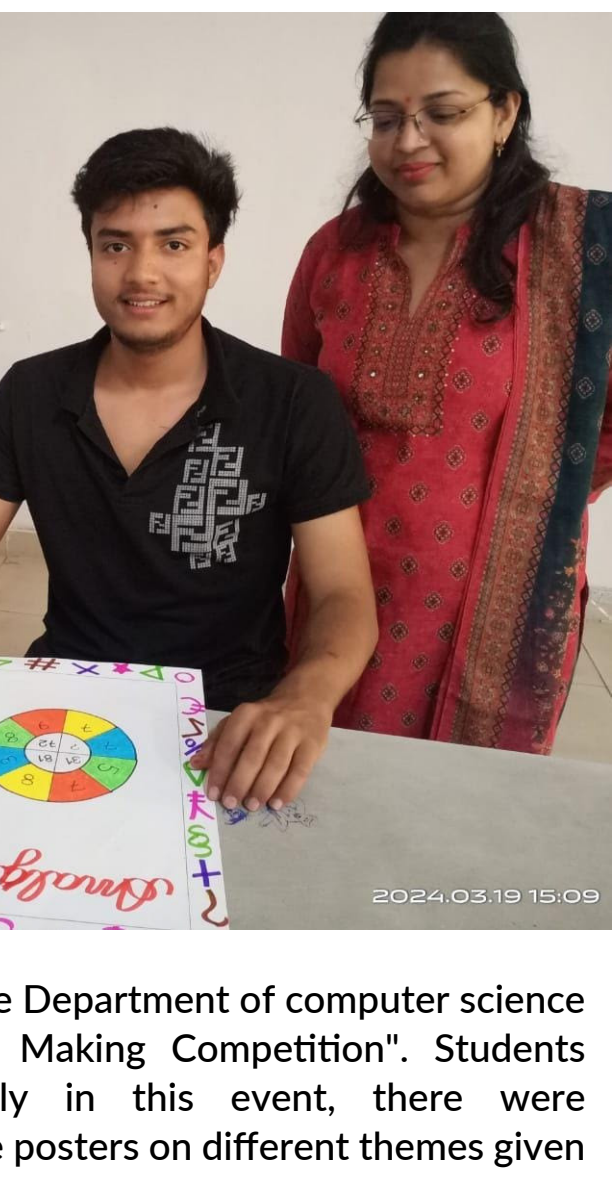

In a proud moment for Gateway Education, we have received the Membership Certification from the Confederation of Indian Industry (CII).

Gateway Students Participated in Drone Workshop

Gateway students participated in the two-day Drone workshop organized by Rishihood University, Murthal, and Drona Aviation, Mumbai. Students assembled the upgraded model of the drone then calibrated it with the help of programming and tested the working sensors. The whole training ended with experiencing viable drones with the team of Drona Aviation.

Industrial Visit at Network Bulls for GIET Students

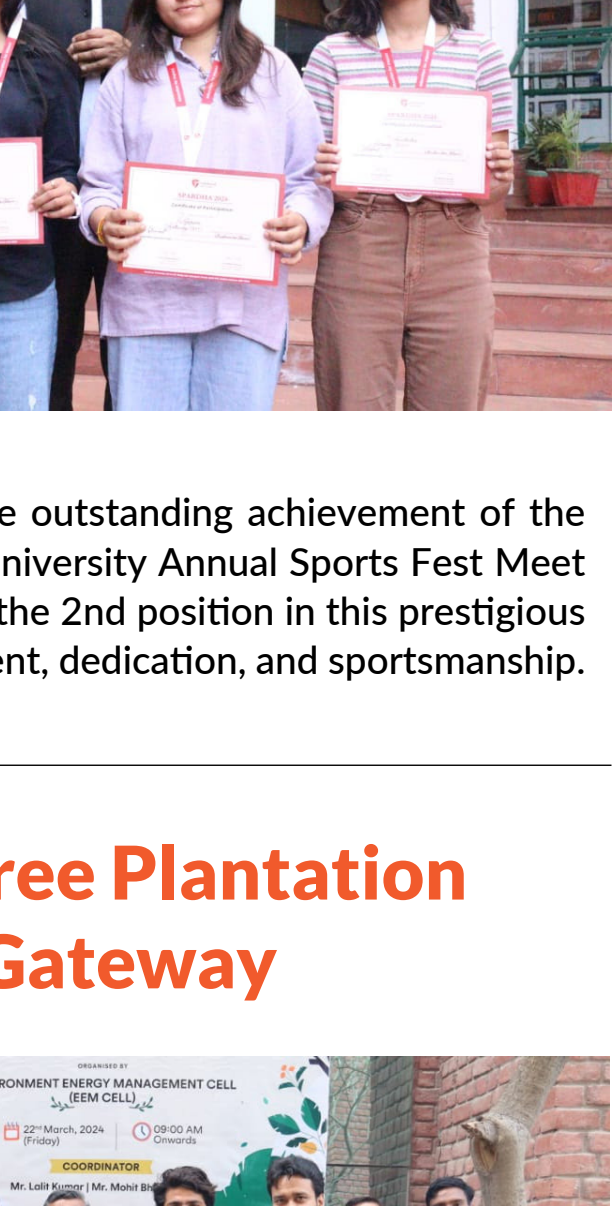

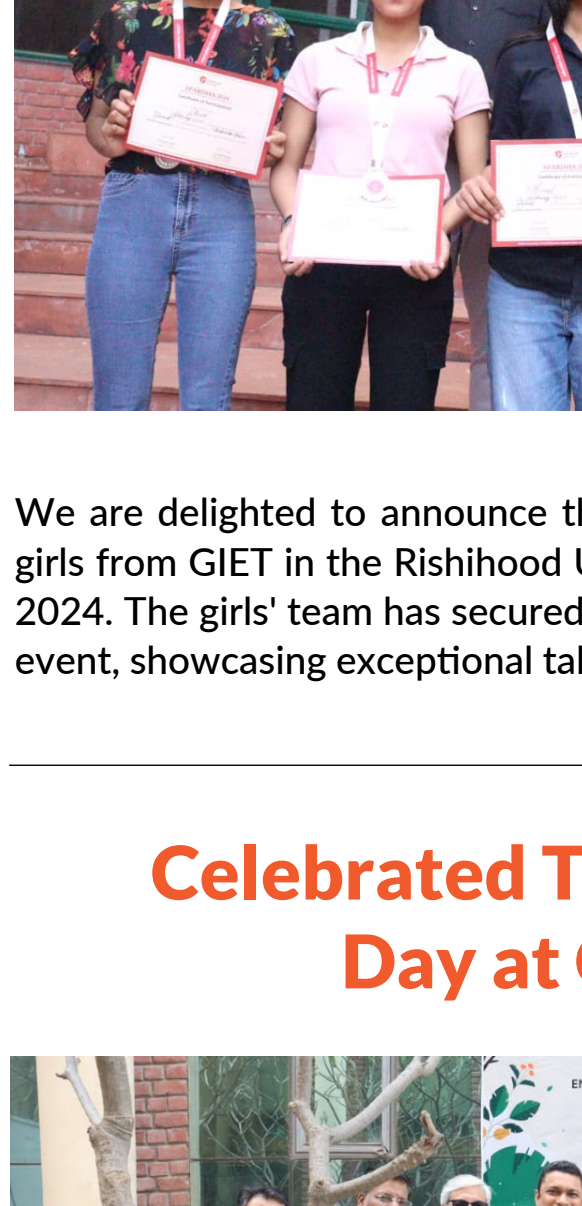

GIET organized an Industrial Visit to Network Bulls for B.Tech 6th and 4th sem students. The visit mainly focused on understanding the procedure of IP address, host address, and signal transport. Students studied binary numbers, minimum value, maximum value, network bit, and host bit. They provided students with their industry magazine and ended with valuable interaction.

Job Fair Opportunity for Our Students

Amidst the vibrant ambience of opportunity and growth, the T&P Department of GIET graced the prestigious Job Fair hosted by MVN University in Palwal.

Excursion Trip for GIET Students

An enriching five-day journey through Kasol, Manikaran, Manali, and Solang Valley, Kullu Coordinated by the students at GIET. With 150 students, we embarked on a memorable adventure filled with exploration, cultural immersion, and camaraderie. From exploring the snow-capped peaks of Manali to immersing themselves in the vibrant atmosphere of Kasol, their trip was nothing short of an extraordinary memory.

Poster Making Competition on Pi Day

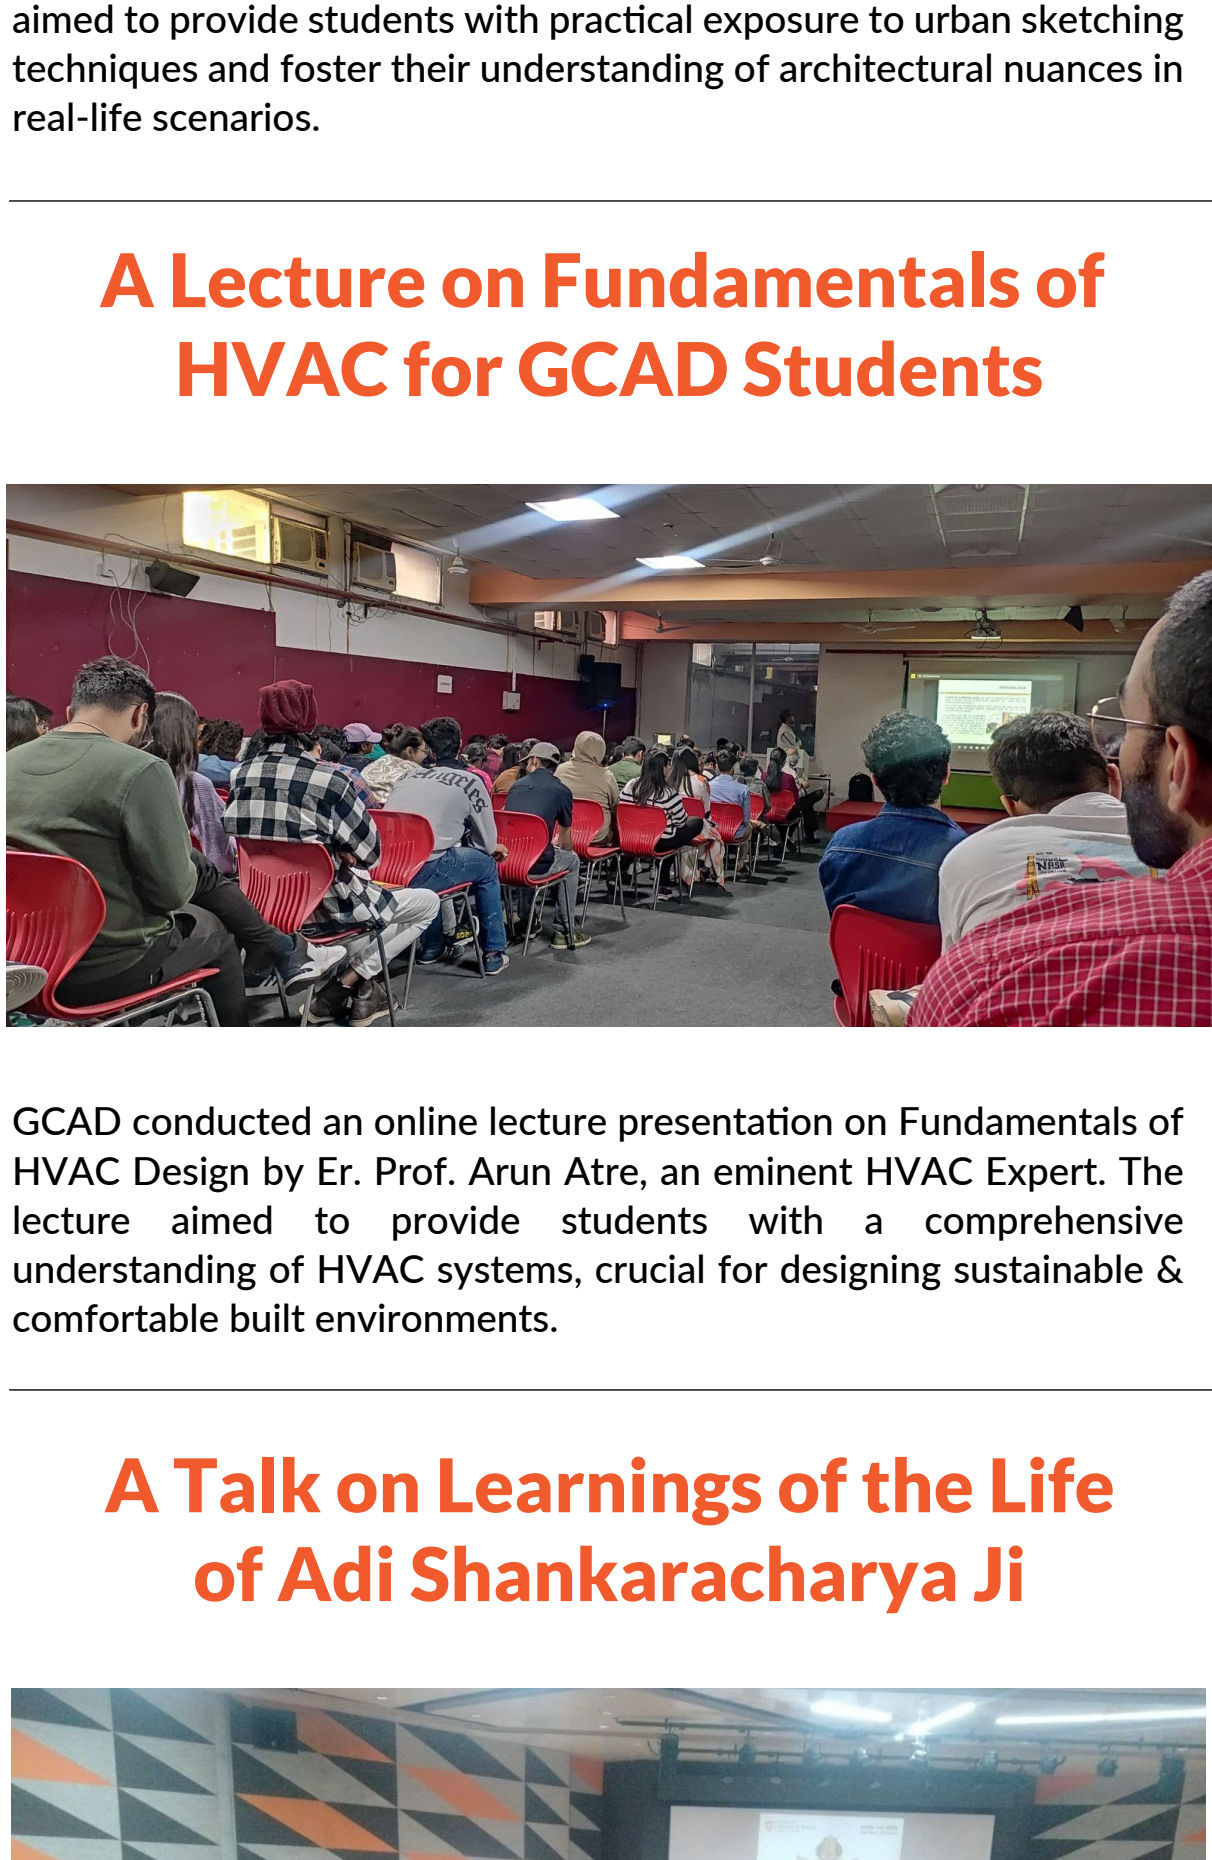

On the remembrance of Pi day, the Department of computer science organised "Art In Math: Poster Making Competition". Students participated very enthusiastically in this event, there were approximately 20 teams that made posters on different themes given to them.

A Proud Moment for Gateway Family

Our dedicated family members are not just educators, they're mentors guiding students toward success. As we appraise Mr. Mohit Bansal, Mr. Joginder Singh & Mr. Abhishek Gupta on their PhD completions, we applaud their commitment to continuous learning and scholarly achievement.

Workshop for GIET Students on MERN Stack

GIET organized a workshop to train on the MERN stack, comprising MongoDB, Express.js, React.js, & Node.js, offering hands-on experience & practical insights into building modern web applications. Mr. Gagandeep Sawhney (Solitaire Infosystem) inculcated various insights & skills to the students.

GIET Students Secured 2nd Position in Volleyball Game

In a remarkable display of skill and sportsmanship, students from GIET secured the second position in volleyball at Rishihood University's Annual Sports Meet. Their outstanding performance earned them not only the runner-up position but also a prestigious medal and cash prize.

Our Girls from GIET Got 2nd Position in the Sports Fest Meet

We are delighted to announce the outstanding achievement of the girls from GIET in the Rishihood University Annual Sports Fest Meet 2024. The girls' team has secured the 2nd position in this prestigious event, showcasing exceptional talent, dedication, and sportsmanship.

Celebrated Tree Plantation Day at Gateway

Gateway Institute Celebrated "Tree Plantation Day" under "Environment Energy Management Cell": in a bid to promote environmental sustainability and green initiatives, our Institute recently marked Plantation Day with enthusiasm and dedication. Students, faculty, and staff joined hands to plant saplings across the campus, and around 50-plus plant seedlings were done.

Celebration of Festival of Colours - Holi

Our campus was alive with the vibrant hues of Holi as faculty members came together to celebrate this joyous festival of colors. Laughter filled the air as colleagues joined in the festivities by participating in the games like Tambola, Musical Chairs, Tower making, and smearing each other with bright colors.

GIET Organized Coding Craft Competition

The CSE Department of GIET organized the highly anticipated "Coding Craft Competition". The event aimed to provide a platform for budding coders to showcase their skills and foster healthy competition.

Fun Activity Day for GIET Staff Members

Our staff members from GIET soaked up the sun, enjoyed thrilling activities, splashed around at the water park, and savored delicious food during a fun trip.

Team Gathering on Tea Session

Our team gathered over the tea to toast all our March-born colleagues. We celebrated birthdays and the warmth they brought to our team

A Live Urban Sketching Workshop for GCAD Students

GCAD conducted a Live Urban Sketching Workshop and the event aimed to provide students with practical exposure to urban sketching techniques and foster their understanding of architectural nuances in real-life scenarios.

A Lecture on Fundamentals of HVAC for GCAD Students

GCAD conducted an online lecture presentation on Fundamentals of HVAC Design by Er. Prof. Arun Atre, an eminent HVAC Expert. The lecture aimed to provide students with a comprehensive understanding of HVAC systems, crucial for designing sustainable & comfortable built environments.

A Talk on Learnings of the Life of Adi Shankaracharya Ji

Students and Faculty of GCAD participated in the Talk on learnings from the life of Adi Shankaracharya ji. The session aimed to delve into the teachings and philosophies of Adi Shankaracharya Ji, a revered Indian philosopher and theologian who played a significant role in the development of Hinduism.
