

MARCH STORIES 2025

Namaste.

As March dawns, it dances in with the first notes of spring's song, its air filled with the promise of new beginnings. In this month of vibrant awakening, nature stirs with renewed energy, bursting forth in colors and blooms, eager to embrace the sun's warmth. March is a time of transformation, where the stillness of winter gives way to the rhythm of life's cycles, and the world is reminded of the power of change and the beauty of growth. It is a month to honor the resilience within us all, to sow new intentions, and to celebrate the flourishing of hope and possibility.

Coding Extempore: B.Tech CSE Students Showcase their Coding Skills

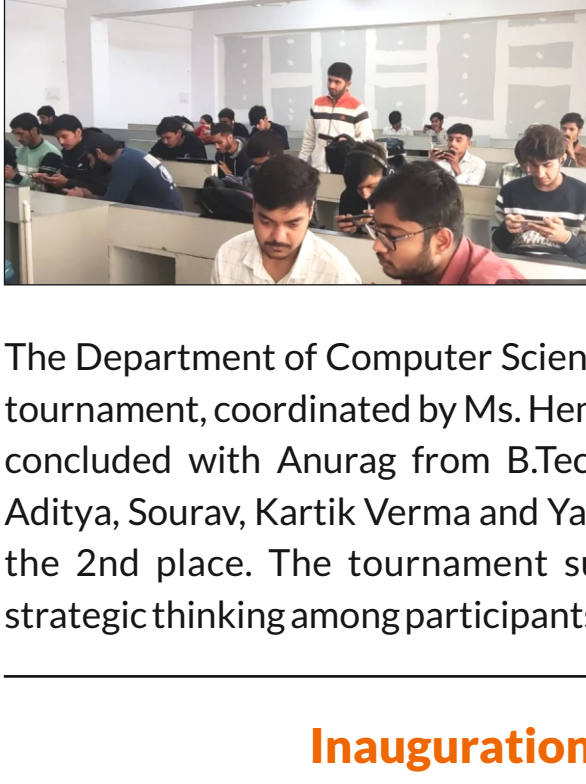

GIET organized a Coding Extempore activity for B.Tech CSE students to enhance their coding skills. The event was coordinated by Ms. Racheena Dhaka and Ms. Hema Arora. Students were given random coding problems to solve within a limited time. Gaurav from B.Tech 3rd year secured the first position with his outstanding performance. The event encouraged students to think quickly and improve their technical abilities.

Pro-Fassional Fiesta: A Successful Corporate Walk

Gateway Education's Pro-Fassional Fiesta: A Corporate Walk! We brought together professionals and students for a fun-filled corporate walk!

Design & Thinking Workshop: A Knowledge-Packed Session by Dr. Abhinav Juneja

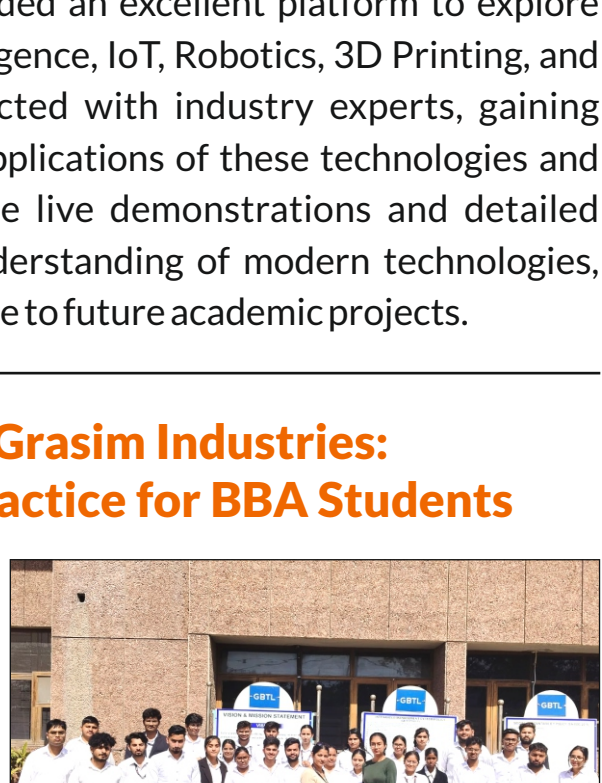

The Department of Computer Applications' Design & Thinking Workshop was a highlight. A special thank you to Dr. Abhinav Juneja for his insightful expert session. We're incredibly grateful to Ms. Aruna Kapoor, Ms. Namrata and Dr. Amita Gandhi (HoD, DCA) for their exceptional coordination. A truly enriching experience!

Gateway Hosted Networking Meet with Educationists, Academicians, and Educational Counselors

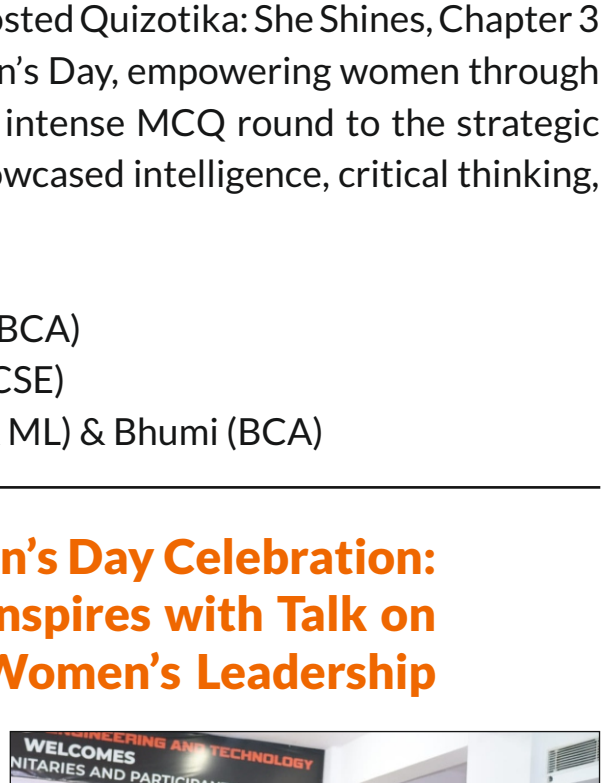

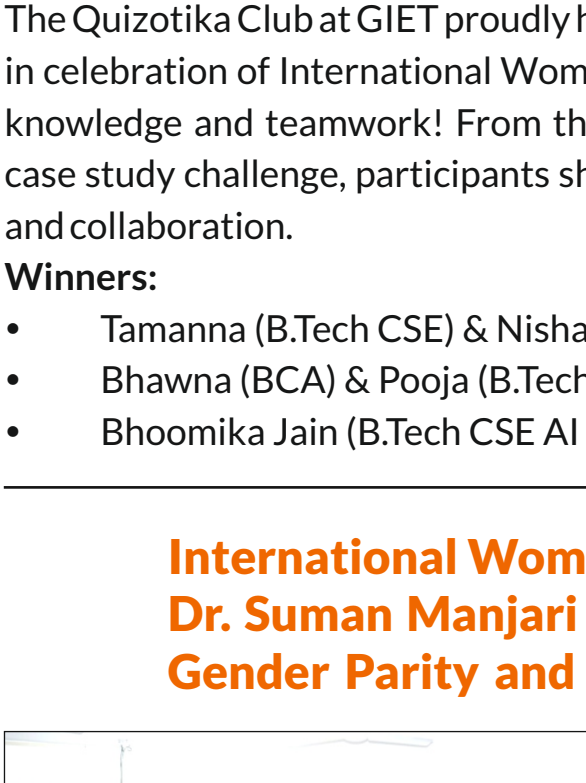

Gateway hosted a Networking Meet with the Educationist, Academicians & Educational Counselors.

Gateway's Digital Empowerment Initiative: Paving the Way for E-Learning and Seamless Access to Government Services

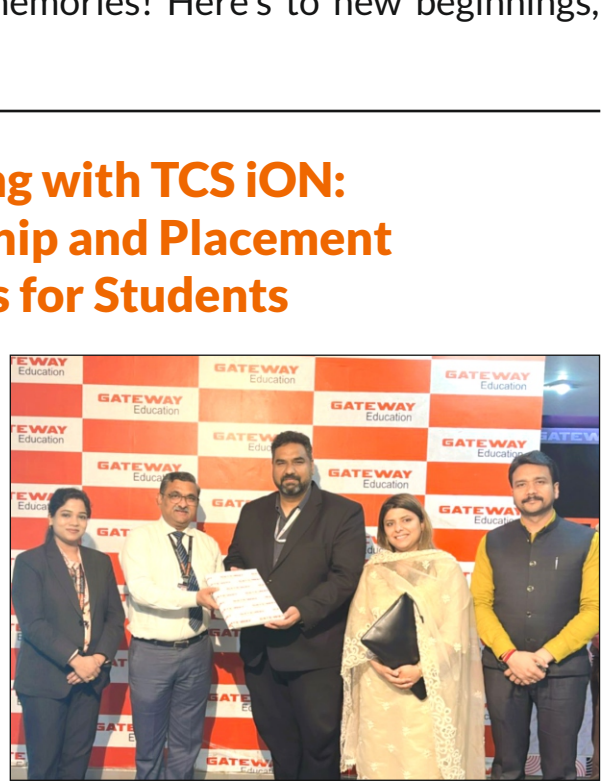

This initiative marks a significant step towards digital empowerment, enhancing, and seamless access to government services for students and staff members. A special thanks to the Gateway Education management for approving this initiative for the welfare of students and staff. Your support is shaping a digitally inclusive future!

eSports Free Fire Max Tournament: A Thrilling Competition of Skill and Strategy

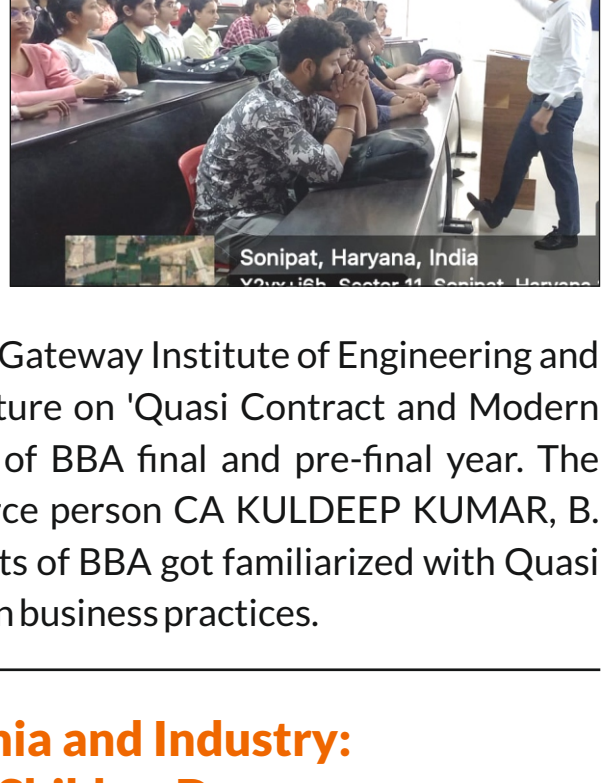

The Department of Computer Science organized an eSports Free Fire Max tournament, coordinated by Ms. Hema Arora and Ms. Priya Tyagi. The event concluded with Anurag from B.Tech 2nd year securing 1st place, while Aditya, Sourav, Kartik Verma and Yash Sharma from B.Tech 1st year shared the 2nd place. The tournament successfully promoted teamwork and strategic thinking among participants.

Inauguration of AR-VR Lab: Embraces Emerging Technologies for Hands-On Learning

The Department of Computer Science at Gateway Institute of Engineering and Technology inaugurated the AR-VR Lab. The lab was inaugurated by Dr. Sushil Chandra, Dean and Professor, along with Dr. Sakshi Vermani Rishi, and Principal Dr. Vinay Kumar Singhal. The lab aims to provide hands-on learning in Augmented Reality and Virtual Reality, helping students gain practical skills in emerging technologies. A live demonstration showcased various AR-VR applications, highlighting their potential in education and industry. The event concluded with a vote of thanks, marking a significant step towards innovative learning at the institute.
