

MARCH STORIES 2026

Namaste.

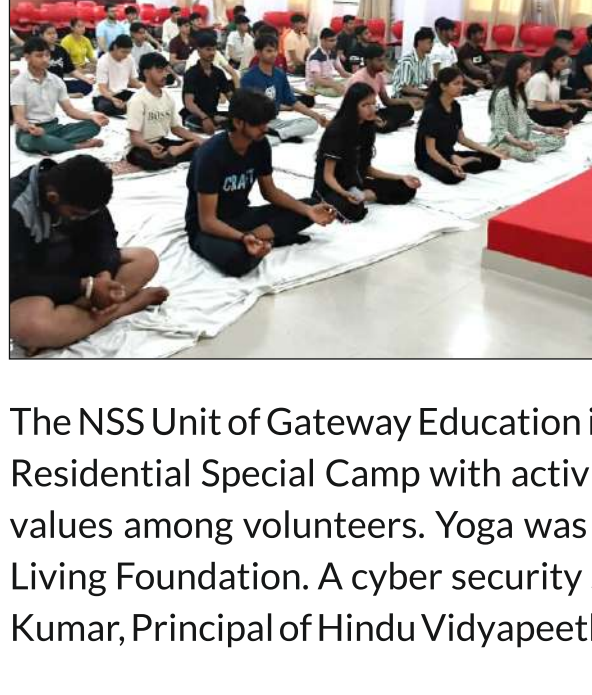

March arrives like a quiet unfolding—no longer a whisper, but not yet a full declaration. The air carries a gentle shift; warmth begins to settle in, and the light stretches a little longer each day. There is a sense of awakening, as if the world is softly stirring from its rest. Mornings feel alive with possibility, touched by a hint of brightness that lingers.

Gateway Education Celebrates Women's Empowerment Showcase

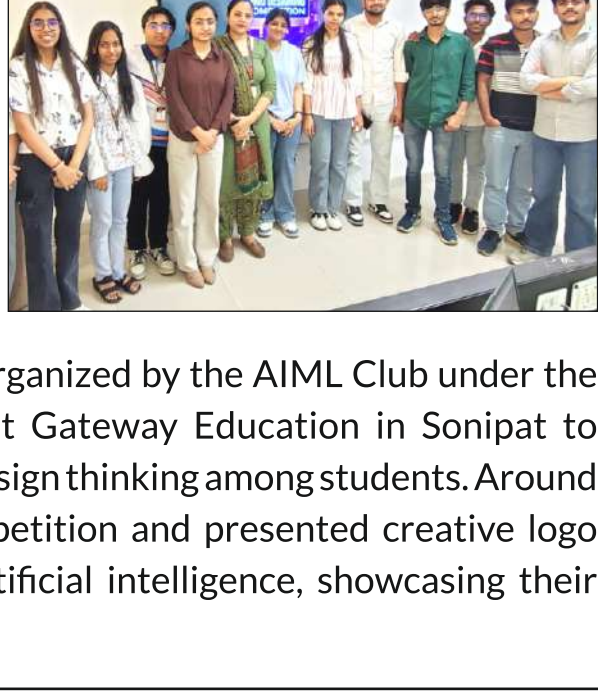

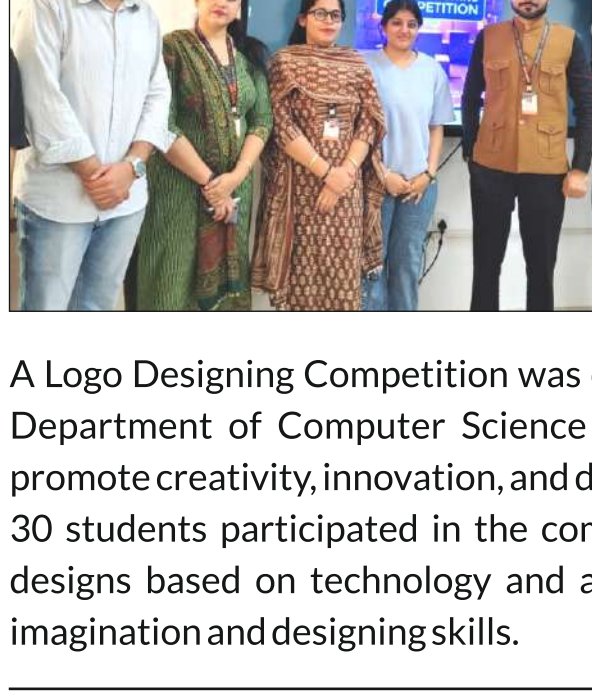

Gateway Education celebrated the spirit of womanhood with a vibrant Talent Showcase on International Women's Day, highlighting the theme "For all Women and Girls – Equality, Rights, Empowerment." Chief Guest Dr. Kamlesh Malik, renowned author and former Principal of Tikaram Girls College, inspired students with her thoughts on talent and empowerment. The event honored outstanding student achievers across academics, sports, research, leadership, and fine arts, while cultural performances showcased creativity, confidence, and the leadership potential of young women.

Gateway Hosts Disaster Management Mock Drill

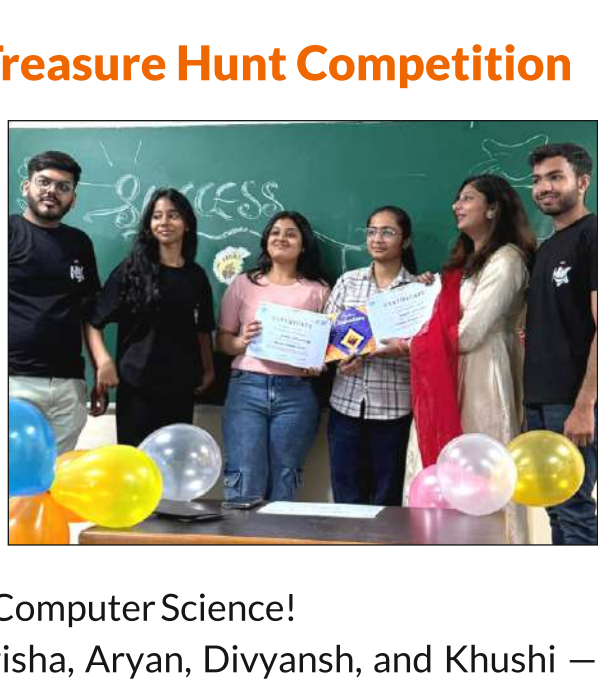

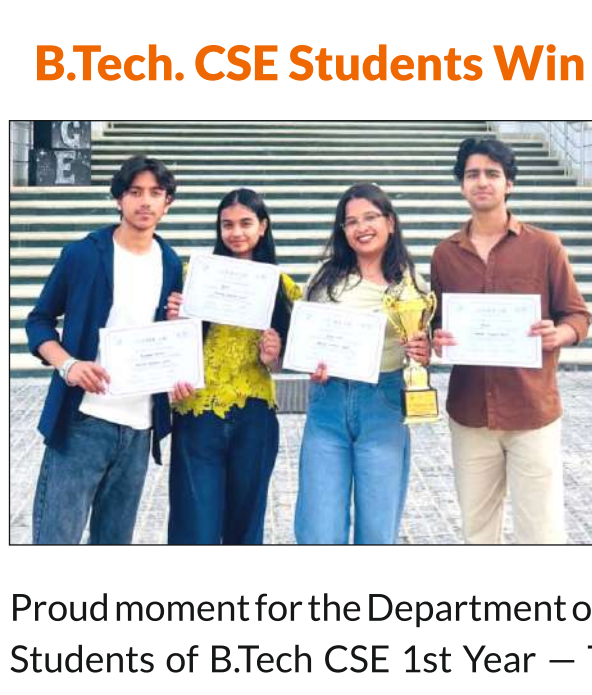

Gateway Education organized a Disaster Management Mock Drill during the 7-Day NSS Residential Special Camp in collaboration with the 16th Battalion of the National Disaster Response Force (NDRF). Around 70 NDRF personnel demonstrated rescue techniques for emergencies such as earthquakes, floods, and road accidents, providing valuable practical exposure to NSS volunteers. The session highlighted preparedness, coordination, and quick response during disasters. The program was graced by Colonel P. K. Dahiya and Mr. Vineet Kadyan, inspiring students to stay alert and contribute towards community service.

NSS Camp Promotes Health and Awareness

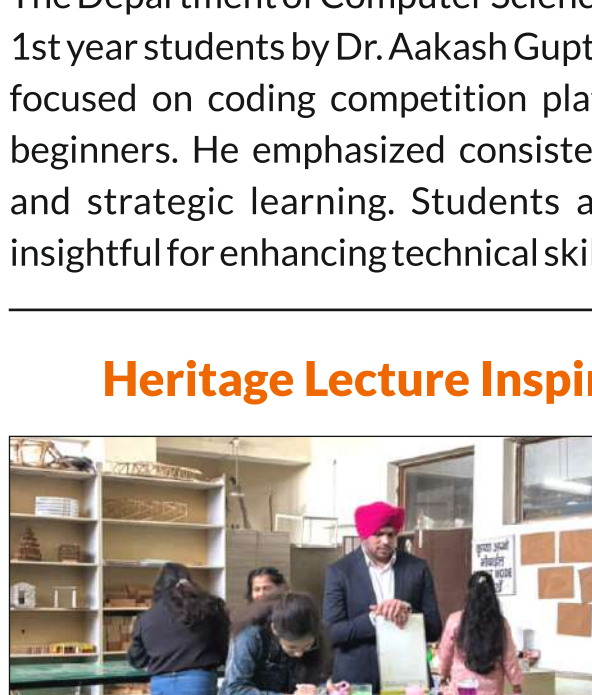

The NSS Unit of Gateway Education in Sonipat conducted the third day of its Residential Special Camp with activities promoting health, awareness, and values among volunteers. Yoga was conducted by Mr. Mukesh from Art of Living Foundation. A cyber security session was delivered by Mr. Narendra Kumar, Principal of Hindu Vidyapeeth.

Spiritual and Self-Defence Training at NSS

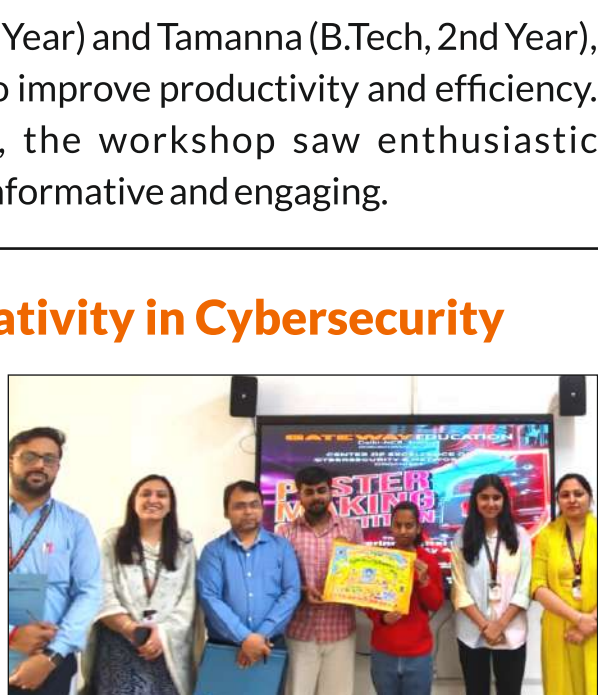

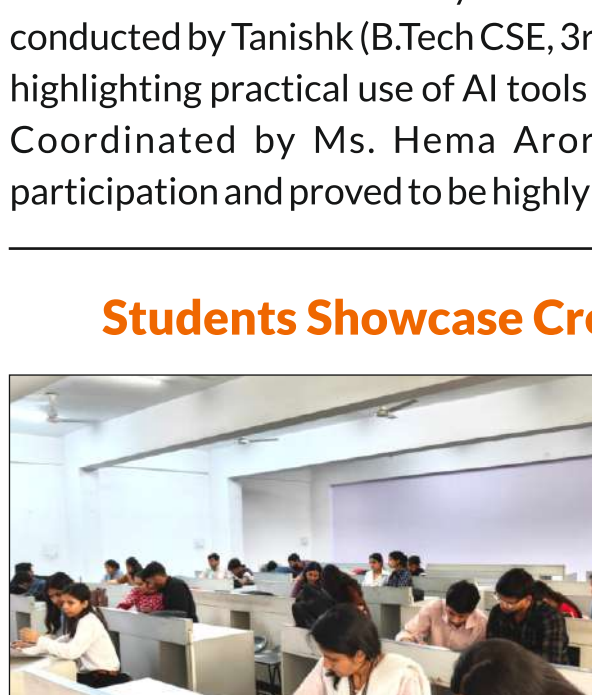

A spiritual session on Bhagavad Gita was delivered by Sh. Hridayanand Hari Das Ji from ISKCON, Kurukshetra. A self-defence training programme was also conducted by Major Janga, Founder of Sports Tansoodo, along with his team members Ms. Anshu, Mr. Sunny, and Mr. Aman, encouraging confidence and personal safety among volunteers.

AIML Club Hosts Logo Designing Competition

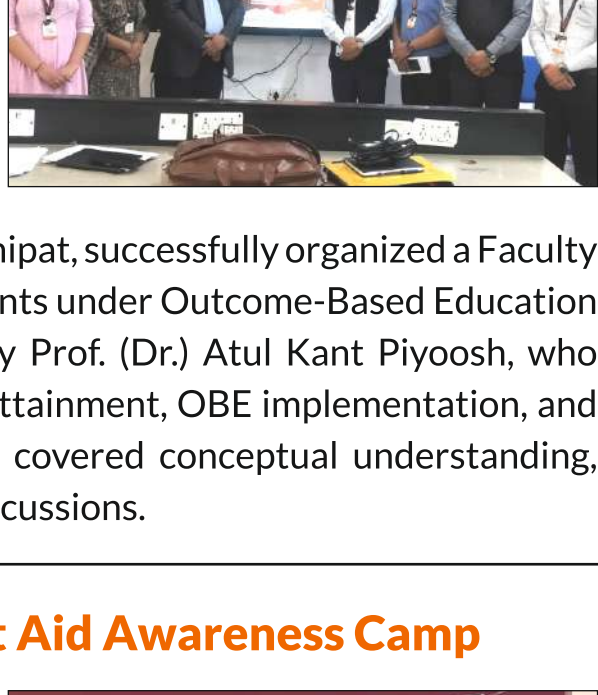

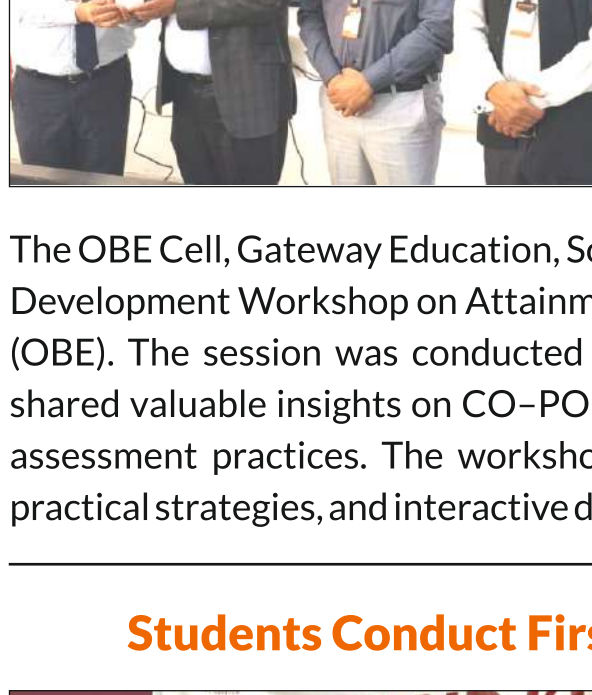

A Logo Designing Competition was organized by the AIML Club under the Department of Computer Science at Gateway Education in Sonipat to promote creativity, innovation, and design thinking among students. Around 30 students participated in the competition and presented creative logo designs based on technology and artificial intelligence, showcasing their imagination and designing skills.

Expert Lecture Bridges College and Industry

The Department of Computer Science at Gateway Education in Sonipat organized an expert lecture for B.Tech AIML and CSE students on the topic "College Learning v/s Industrial Expectations." The session was delivered by Dr. Aakash Gupta, Head, Department of Computer Science.

B.Tech. CSE Students Win Treasure Hunt Competition

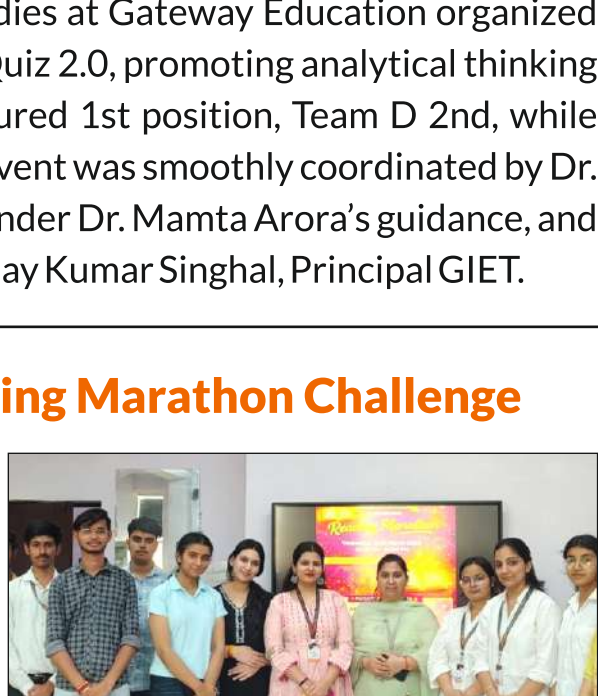

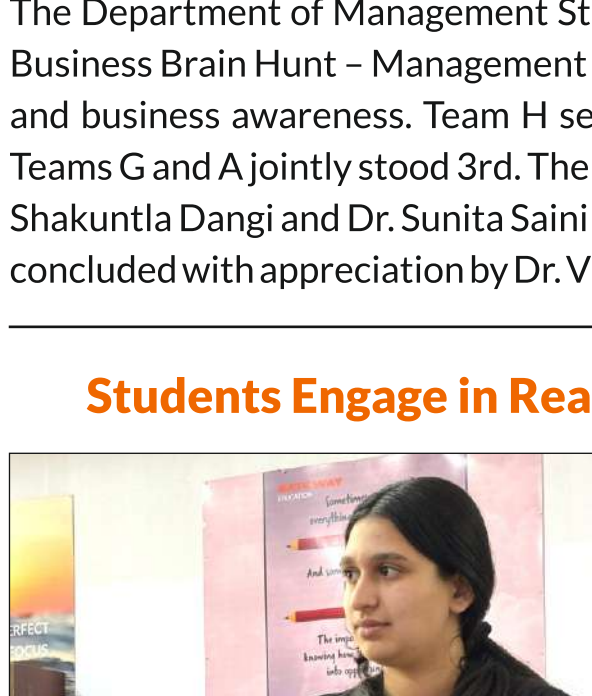

Proud moment for the Department of Computer Science! Students of B.Tech CSE 1st Year – Trisha, Aryan, Divyansh, and Khushi – secured 1st Position in the Treasure Hunt Competition at SRM University. The 2nd Position was secured by Deepali and Anshika. Heartiest congratulations to all the winners for their outstanding teamwork and achievement!

Expert Lecture Guides Students on Coding

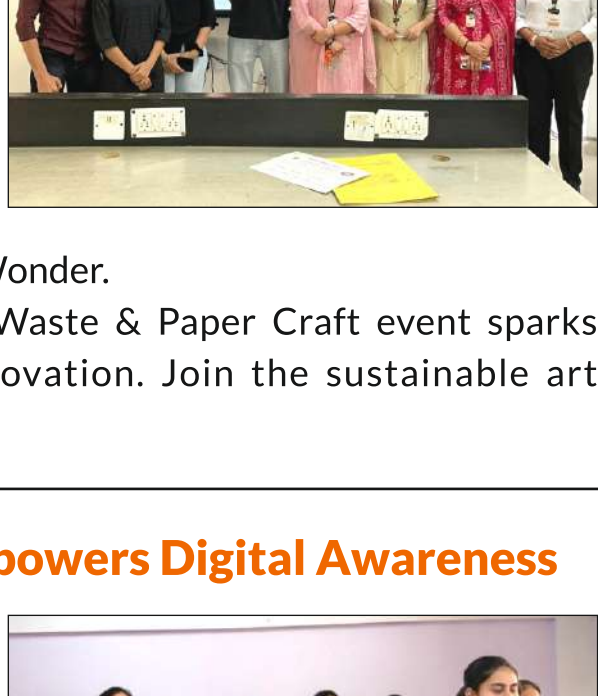

The Department of Computer Science organized an expert lecture for B.Tech 1st year students by Dr. Aakash Gupta, Head of the Department. The session focused on coding programming and the structured roadmap for beginners. He emphasized consistent practice, competitive participation, and strategic learning. Students actively engaged, making the session insightful for enhancing technical skills and career readiness.

Heritage Lecture Inspires Creativity Workshop

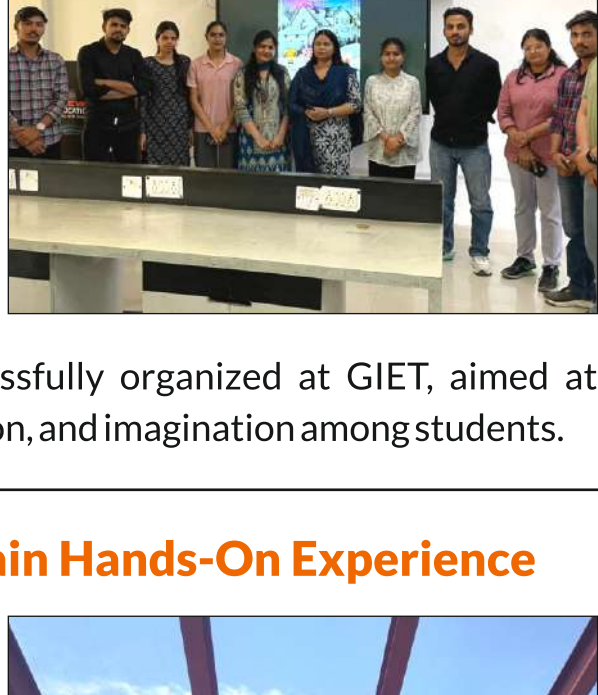

Ar. Sarabjeet Singh, Conservation Architect from National Monuments Authority, delivered an insightful lecture on Heritage Byelaws, enriching students with practical perspectives. He also joined as jury for the candle-making workshop, encouraging creativity.

Codex Club Hosts AI Productivity Workshop

The Codex Club, Department of Computer Science, organized a workshop on "AI Tools and Productivity" for B.Tech and BCA students. The session was conducted by Tanishk (B.Tech CSE, 3rd Year) and Tamanna (B.Tech, 2nd Year), highlighting practical use of AI tools to improve productivity and efficiency. Coordinated by Ms. Hema Arora, the workshop saw enthusiastic participation and proved to be highly informative and engaging.

Students Showcase Creativity in Cybersecurity

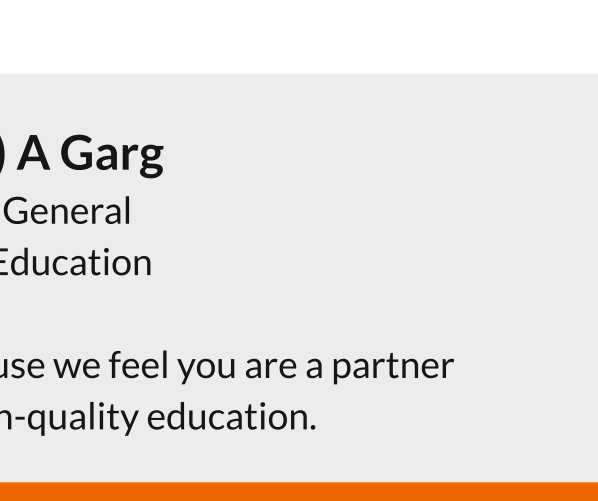

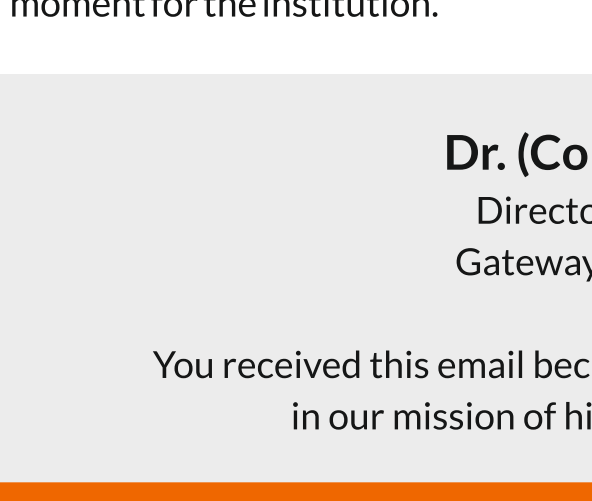

Gateway Education successfully organized a Poster Making Competition on 20 March 2026 on the theme "Empowering Digital India through Cyber Security Awareness." The event witnessed enthusiastic participation from students and faculty members, who showcased remarkable creativity, awareness, and innovative perspectives on cyber safety and responsible digital practices.

OBE Workshop Empowers Gateway Faculty Effectiveness

The OBE Cell, Gateway Education, Sonipat, successfully organized a Faculty Development Workshop on Attainments under Outcome-Based Education (OBE). The session was conducted by Prof. (Dr.) Atul Kant Piyooosh, who shared valuable insights on CO-PO attainment, OBE implementation, and assessment practices. The workshop covered conceptual understanding, practical strategies, and interactive discussions.

Students Conduct First Aid Awareness Camp

Under Unnat Bharat Abhiyan (UBA 2.0), 1st and 2nd year students of GIET Sonipat organized a First Aid Awareness Camp at Village Deepalpur, Sonipat. The session highlighted the importance of first aid kits and handling common emergencies like cuts, burns, fever, and insect bites, promoting timely care before reaching hospitals and strengthening community preparedness.

Yugaantar eSports 2026 Showcases Competitive Excellence

Gateway Education successfully organized Yugaantar eSports 2026 under Yugaantar 2K26, bringing together gaming enthusiasts from South Point, SRM University, Rishihood University, DCRUST, Delhi University, and Gateway Education. The event witnessed participation from 150+ students, reflecting strong skills in strategy, coordination, and competitive gaming. The competition was conducted seamlessly with structured matches, fair play, and efficient management.

Business Brain Hunt 2.0 Challenges Students

The Department of Management Studies at Gateway Education organized Business Brain Hunt – Management Study 2.0, promoting analytical thinking and business awareness. Team H secured 1st position, Team D 2nd, while Teams G and A jointly stood 3rd. The event was smoothly coordinated by Dr. Shakuntla Dangi and Dr. Sunita Saini under Dr. Mamta Arora's guidance, and concluded with appreciation by Dr. Vinay Kumar Singhal, Principal GIET.

Students Engage in Reading Marathon Challenge

The Reading Club at Gateway Education successfully organized a Reading Marathon, creating an engaging platform for students to strengthen their reading, comprehension, and analytical skills. The event was designed to cultivate a disciplined reading habit while encouraging deeper engagement with texts.

Turning Waste into Art and Innovation

Yugaantar 2026: Turning Waste into Wonder. Gateway Education's Best Out of Waste & Paper Craft event sparks eco-consciousness & creative innovation. Join the sustainable art revolution.

Cyber Hygiene Pledge Empowers Digital Awareness

Gateway Education, Center of Excellence in Cyber Security & Networking, successfully organized a Cyber Hygiene Pledge Activity under "ISEA SecureHer: AI Threat Awareness & Digital Safety for Women & Girls." The session focused on cyber safety, responsible digital behavior, and protection from online threats, especially empowering women and girls.

Sketching Competition Encourages Artistic Expression

A Sketching Competition was successfully organized at GIET, aimed at promoting creativity, artistic expression, and imagination among students.

Architecture Students Gain Hands-On Experience

Students of Gateway College of Architecture and Design, Sonipat got the opportunity to step out of the classroom and experience real learning through a practical workshop on Jack Arches, Vaults & Rat Trap Bond at Karnal, Haryana. The session was conducted by Architect Akansha Sood in the presence of Ar. Disha Biswas.

Students Shine in Mandala and Poster Art

The Art Competition at GIET, held under Yugaantar 2026, was a vibrant showcase of creativity and talent. Students participated enthusiastically in Mandala Art, Glass Painting, and Poster Making, presenting unique and innovative ideas. Judging was based on creativity, composition, and presentation. The event provided a great platform for artistic expression and encouraged appreciation for art.

Proud Moment: GIET as UHV Centre

Gateway Institute of Engineering & Technology, Sonipat has been honored by the All India Council for Technical Education as a Potential Nodal Centre for Universal Human Values (UHV) for 2025–27, marking a truly proud moment for the institution.
