

MAY STORIES 2024

Namaste.

In May month embrace, the air hums with the melody of festivals, inspiring us to chase our aspirations and paint the canvas of our lives with hues of achievement.

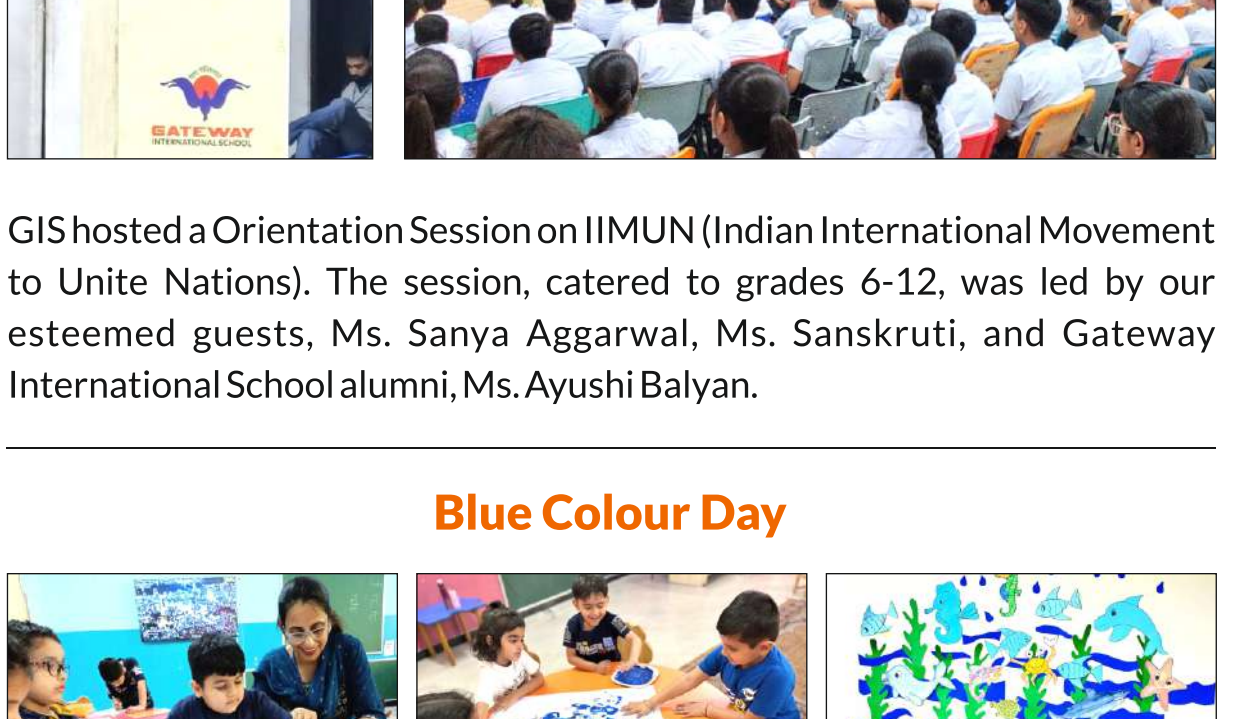

Celebrating 18 Years of Excellence: Gateway Education's Foundation Day Hawan Ceremony

Gateway Education Celebrated its 18th Foundation Day with Hawan Ceremony on 1st May to commemorate the founding of our esteemed institution. This annual event holds great significance as it allows us to reflect on our school's history, values, and achievements.

Contributing the Financial Aid to the Welfare Centre of Persons with Speech and Hearing Impairments, Sonapat through the NGO Safe India Foundation.

Portfolio Making Workshop by Ar. Anjali Dutt

Gateway College of Architecture and Design organized a talk on "Portfolio Making" on 1st of May 2024 with Ar. Anjali Dutt, a renowned architect, Alumnus - GCAD and educator, captivated the audience with her comprehensive presentation on the essential elements of a compelling design portfolio. She shared invaluable tips on how to effectively showcase design projects, emphasizing the importance of clarity, creativity, and coherence.

Coaster Design By Ar. Anuja Pingle

Gateway College of Architecture and Design organised a workshop on "Coaster Design by Ar. Anuja Pingle" on 4th of May 2024. Ar. Anuja Pingle, a renowned architect with a passion for innovative design, led the workshop. Her presentation covered the fundamentals of coaster design, emphasizing the blend of aesthetics, engineering, and user experience. Participants were captivated by her expertise and enthusiasm, gaining valuable knowledge that can be applied to their design projects.

Empowering Tomorrow's Leaders: IIMUN Orientation Session

GIS hosted a Orientation Session on IIMUN (Indian International Movement to Unite Nations). The session, catered to grades 6-12, was led by our esteemed guests, Ms. Sanya Aggarwal, Ms. Sanskruti, and Gateway International School alumni, Ms. Ayushi Balyan.

Blue Colour Day

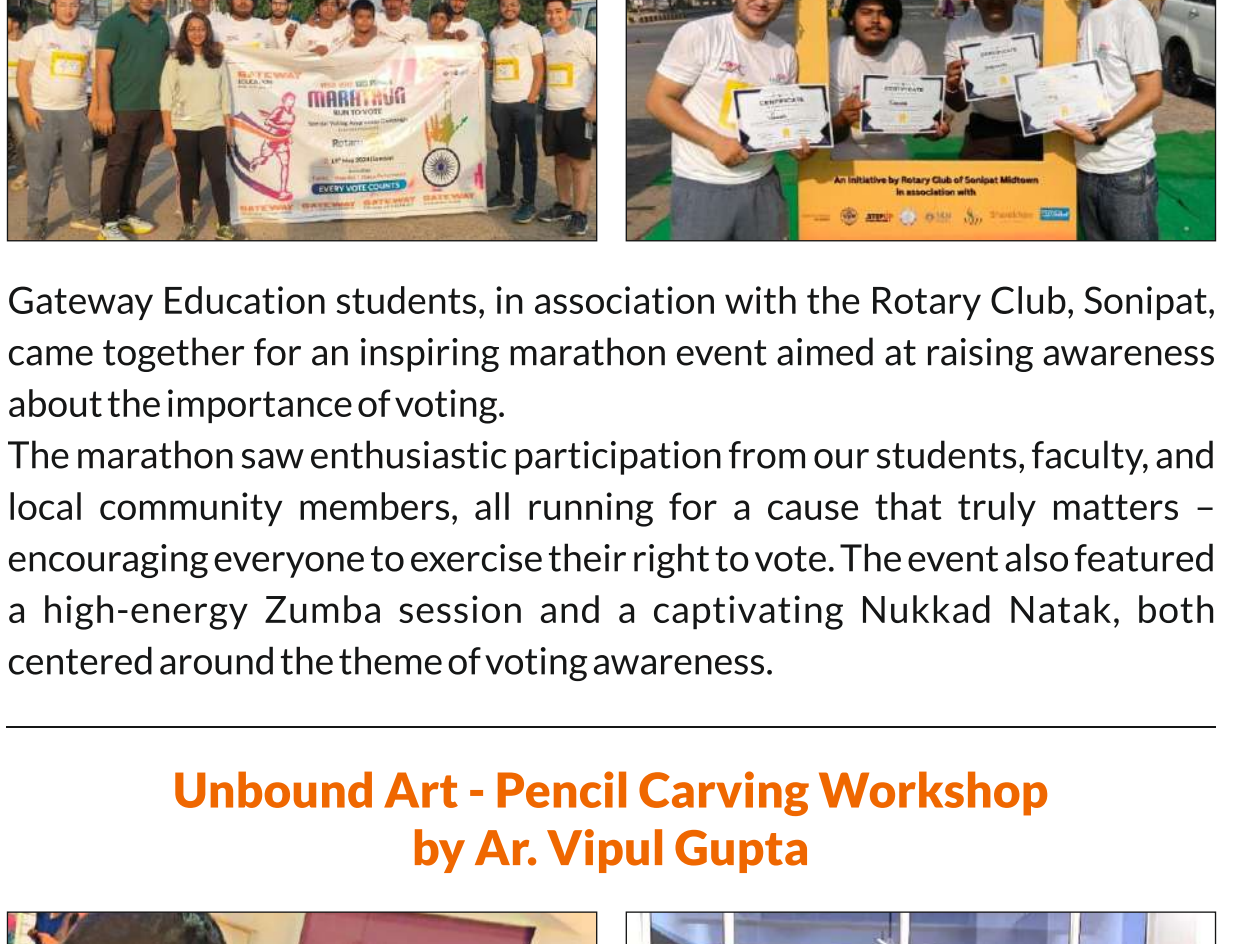

On May 3, 2024, our little ones arrived dressed in various shades of blue, bringing along objects from home to explore and share with their friends. Through fun-filled activities like flower-making and finger printing, our students learned about the different hues of blue interactively and engagingly.

GIS Investiture Ceremony

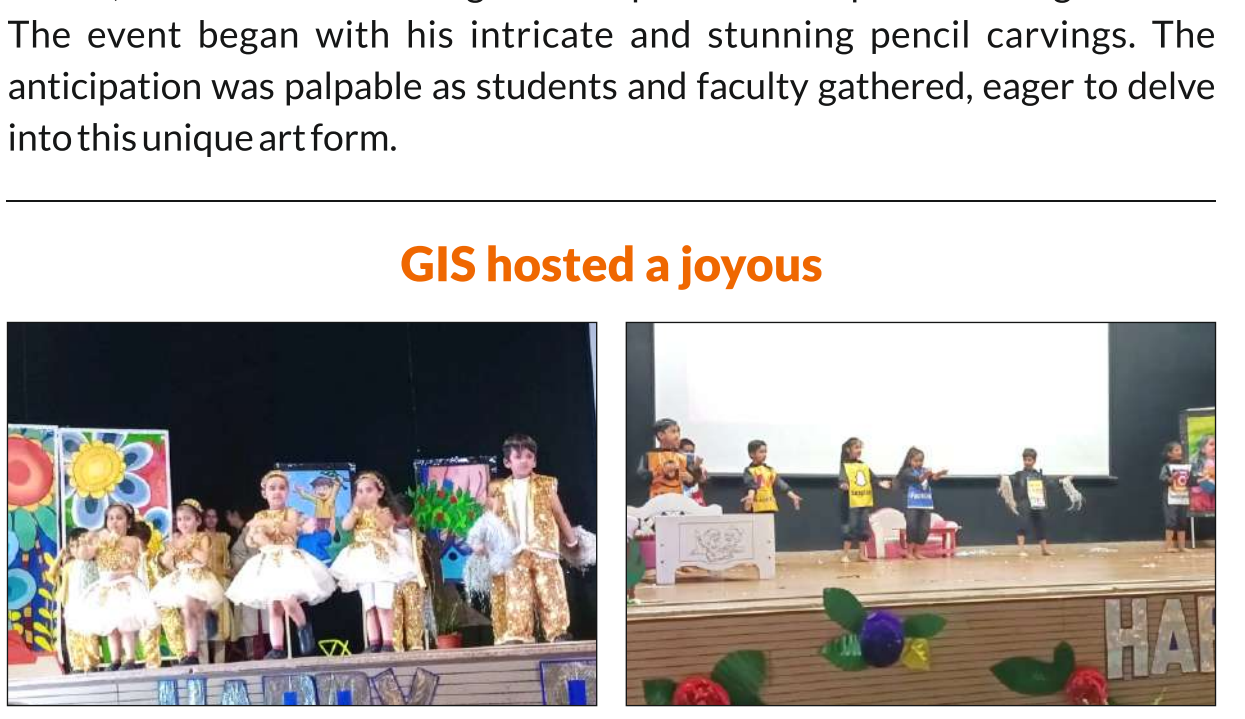

Gateway International School proudly held its annual Investiture Ceremony for the session 2024-2025, a momentous occasion where young leaders were bestowed with responsibilities to uphold the school's values and lead by example. The event was a testament to the school's commitment to nurturing not just academic excellence, but also character and leadership among its students.

The air at Gateway International School is buzzing with excitement as our brilliant students from grades 10 and 12 come together to celebrate their CBSE results! Under the proud gaze of our esteemed Principal, Mr. Prem Kumar Ojha, and Vice Principal, Ms. Rimpay Verma, our students are not just marking the end of an academic journey but also the beginning of countless possibilities and adventures ahead. Let's raise a toast to their hard work, dedication, and endless potential! Here's to a future filled with success, growth, and endless opportunities!

GIS Matra Pitra Vandan

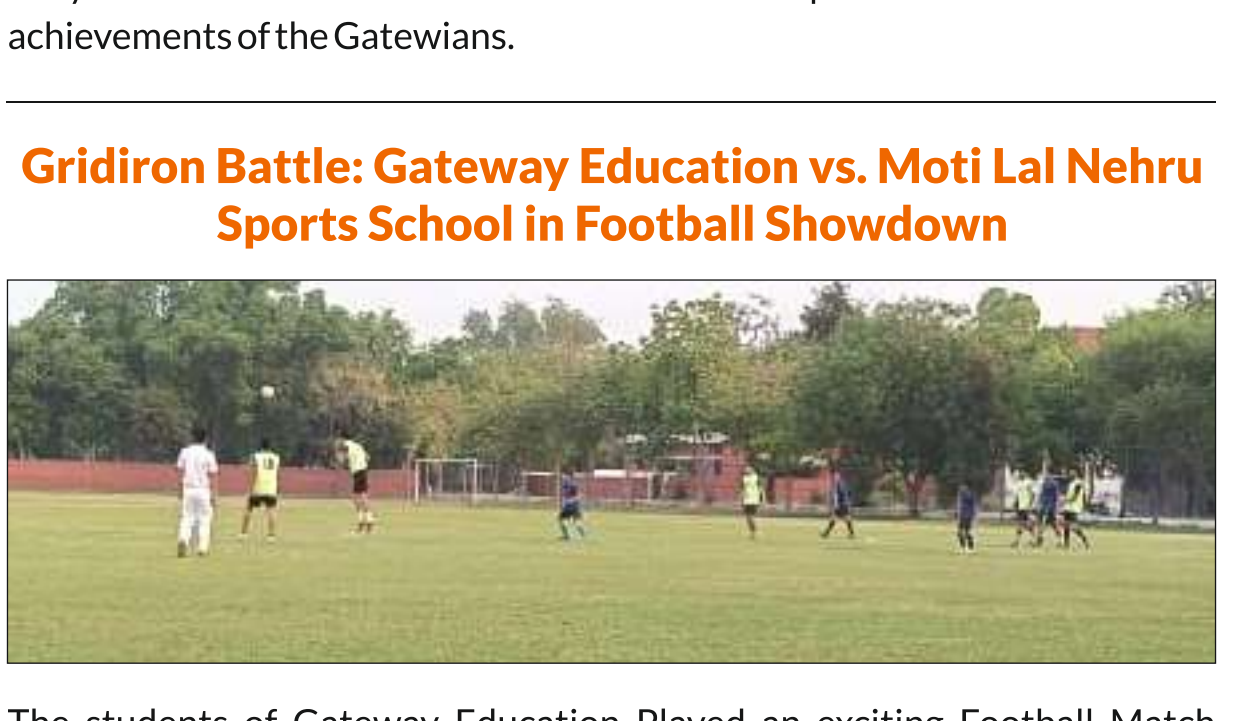

GIS Campus was filled with reverence and unity as we celebrated the Matra Vandan Ceremony. Parents of grades 3 to 5 participated, setting a heartfelt example as they worshipped their own parents. Following this, children honoured both their grandparents and parents, weaving a beautiful bond among the three generations.

Exploring Taraori's Rich Heritage: A Recap of the 2024 Heritage Event

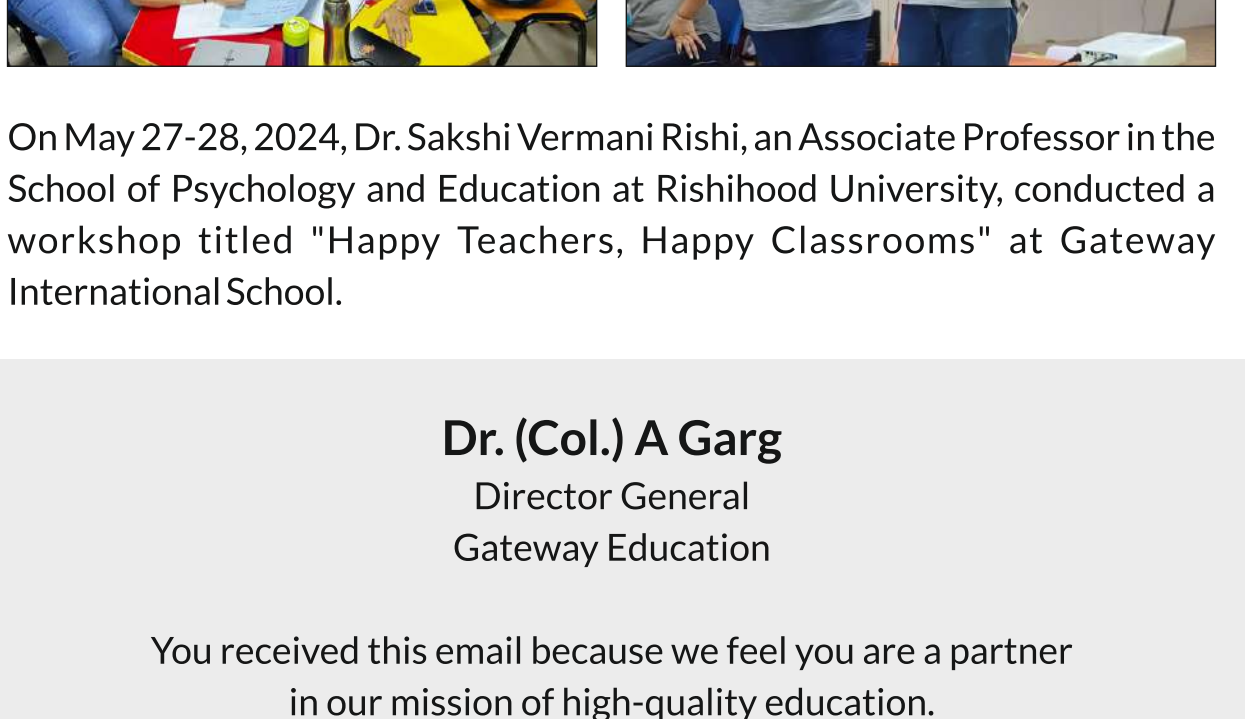

Heritage event was successfully held in Taraori (Karnal). Participants embarked on a fascinating journey through the region's rich history with a heritage walk led by the historian Dr. Chand Singh Ji. They explored the legacy of the old trade route through a captivating exhibition and were mesmerized by the wonder of Rani Ki Vav during an immersive VR tour organized by the American Institute of Indian Studies.

Empowering Democracy: Workshop on the Importance of Voting and Elections

Gateway Institute of Engineering and Technology organised a workshop on "Importance of Vote and Election in a Democracy" on May 8, 2024 in the Bhaskar Hall. This aimed to highlight the significance of voting and elections in a democratic society.

National Conference on Architecture: Design, Innovation & Technology

Gateway College of Architecture and Design hosted the National Conference on Architecture, Design, and Innovative Technologies (NCADIT) 2024. The event was a resounding success, marked by inspiring speeches, insightful discussions, and the celebration of architectural innovation and creativity.

Empowering Minds: Workshop at GCAD

Gateway College of Architecture and Design organized session on Neuro-Linguistic Programming (NLP) by the distinguished personality Dr. Tazyn Rahman.

Empowering Leaders: GIET Hosts Leadership Workshop with Major Sunil Dagar

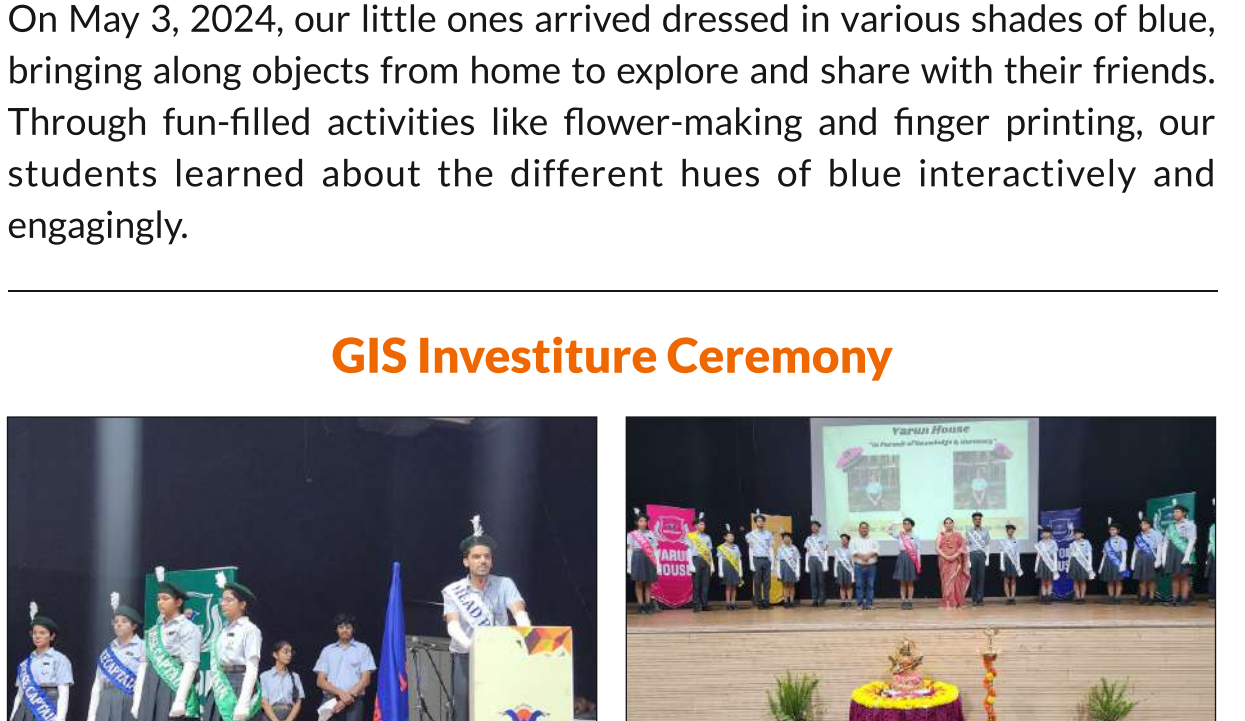

GIET hosted an engaging and insightful leadership workshop led by Major Sunil Dagar, a distinguished retired officer of the Indian Army, renowned for his work in the field of leadership and team management. The workshop aimed to instill leadership qualities among the students and prepare them for future challenges in their professional and personal lives.

Empowering Democracy: Gateway Education Students and Rotary Club Host Voting Awareness Marathon

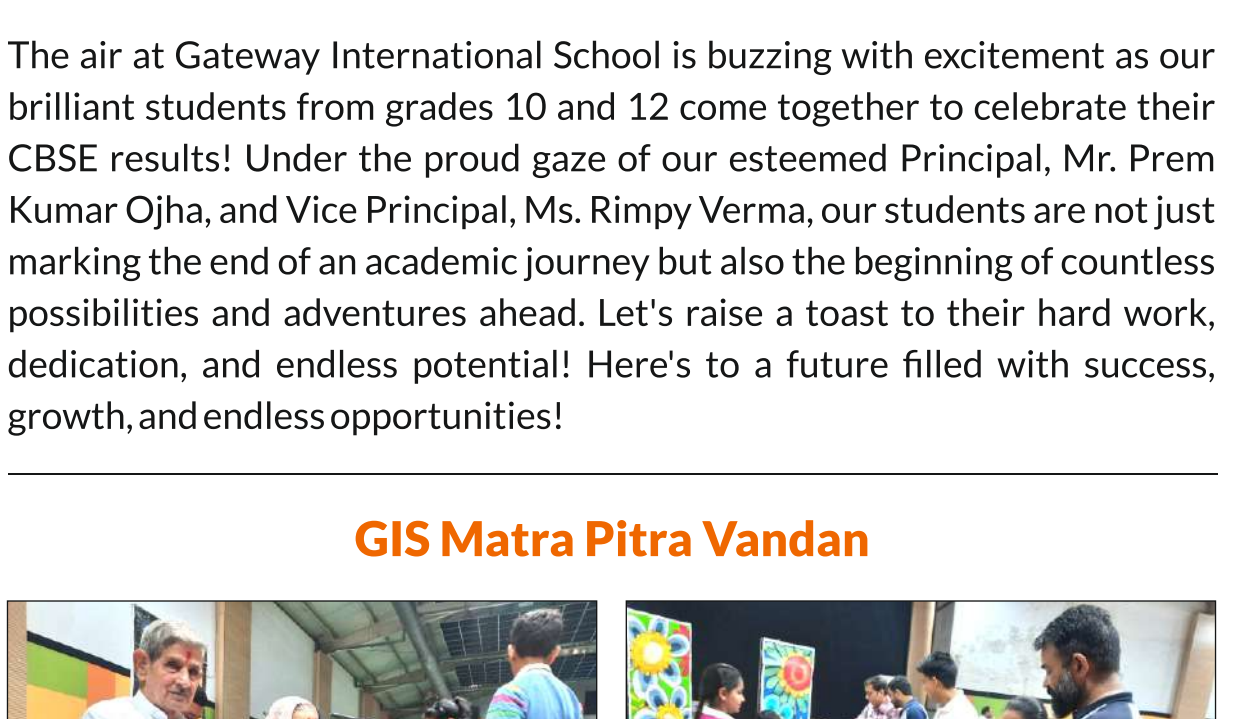

Gateway Education students, in association with the Rotary Club, Sonipat, came together for an inspiring marathon event aimed at raising awareness about the importance of voting. The marathon saw enthusiastic participation from our students, faculty, and local community members, all running for a cause that truly matters – encouraging everyone to exercise their right to vote. The event also featured a high-energy Zumba session and a captivating Nukkad Natak, both centered around the theme of voting awareness.

Unbound Art - Pencil Carving Workshop by Ar. Vipul Gupta

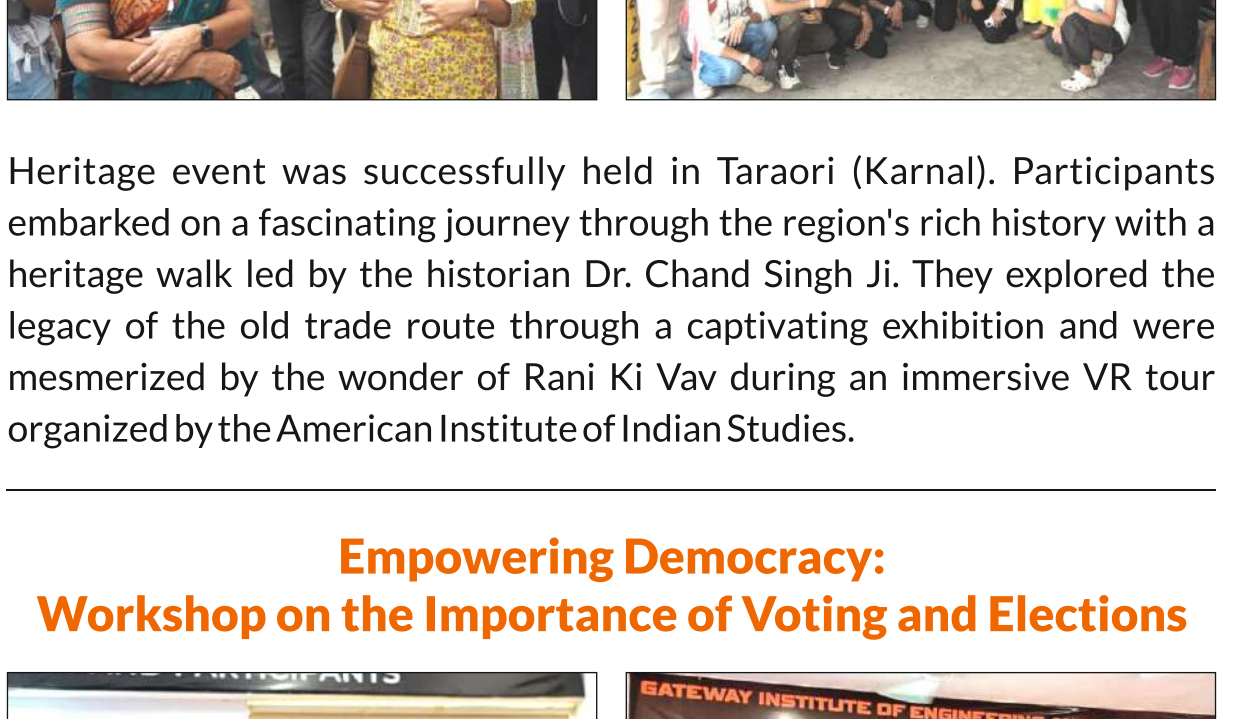

Gateway College of Architecture and Design is thrilled to share the highlights of an extraordinary event that took place at Gateway College of Architecture and Design on May 18th 2024, Ar. Vipul Gupta - Alumnus - GCAD, who led a mesmerizing workshop on the art of pencil carving. The event began with his intricate and stunning pencil carvings. The anticipation was palpable as students and faculty gathered, eager to delve into this unique art form.

GIS hosted a joyous

Parents' Day celebration featuring skits and dances performed by students. The event aimed to honor and appreciate the unwavering support of parents in their children's lives. The celebration began with a welcome speech by the Principal, followed by a vibrant welcome dance performance by Grade One students.

GIS Visit to Orphanage

Our GIS Juniors from grades 3 to 5 had a heartwarming visit to Renu Vidya Mandir, a school for visually impaired children! They shared gifts and participated in wonderful activities like art with all the special children of the school. The cultural performances of both the schools prepared especially for each other, added glitter to the union. The grand finale had everyone dancing together, celebrating unity and joy. Through this experience, our students learned invaluable lessons in sharing, caring, inclusivity, empathy and respect. A day spent building new bonds and inspiring each other.

GIS Proud Moment

Students of Gateway International School, have yet again proved that they can not just excel in academics but they have showcased their prowess in literary competitions. GIS students participated in Literary Fest organized in Holy Child School and the event served as a platform to honour the achievements of the Gatewayians.

Gridiron Battle: Gateway Education vs. Moti Lal Nehru Sports School in Football Showdown

The students of Gateway Education Played an exciting Football Match against Moti Lal Nehru Sports School Rai. It was a tough game with both teams fighting hard. But Moti Lal Nehru Sports School presented amazing teamwork and skills, totally owning the field.

GIS Teachers' Training

On May 27-28, 2024, Dr. Sakshi Vermani Rishi, an Associate Professor in the School of Psychology and Education at Rishihood University, conducted a workshop titled "Happy Teachers, Happy Classrooms" at Gateway International School.
