

Himanshu Sapra is a Professional Graphic Designer with over 10 years of experience in the design field. Currently working at Gateway Education, Sonipat (Haryana, India). He combines creativity and technical expertise to craft visually appealing and impactful designs that enhance the institution's branding and communication efforts.

Specializing in designing promotional materials, digital content, and marketing campaigns, He has a proven track record of delivering innovative and high-quality designs that resonate with diverse audiences. His proficiency in design software and his keen eye for aesthetics enable him to produce work that aligns with Gateway Education's vision and values.

With a strong background in collaborating with cross-functional teams, He excels at translating ideas into compelling visuals. His ability to balance creativity with functionality ensures that his designs effectively convey the intended message while maintaining a professional and cohesive look.

His dedication to excellence, attention to detail, and passion for design make him an integral part of Gateway Education's creative team.
