

Pallavi is currently serving as the **Head of Admissions & Outreach** at **Gateway Education**, Sonapat, Haryana, India. With **over 12 years of experience**, she has played a pivotal role in student counseling, admissions strategy, and outreach programs, making a significant impact in the field of career guidance and higher education.

As a dedicated educationist, Pallavi has **conducted more than 80 workshops** at various prestigious schools across **Delhi-NCR**, addressing students, parents, and educators on career planning, emerging fields of study, and higher education opportunities. She has personally counseled **over 8,000 students and parents**, helping them make informed decisions about their academic and professional futures.

Her academic background is equally commendable. She holds a **Bachelor of Technology (B.Tech.) in Instrumentation & Control Engineering**, which she earned in **2010**, followed by a **Master of Technology (M.Tech.) in Electrical Engineering (Power Systems)** in **2015**. Additionally, she has enhanced her technical proficiency by completing a **Post Graduate Diploma in Computer Applications (PGDCA)** from **IGNOU University**.

Her deep understanding of the education landscape, combined with her expertise in career counseling and outreach, has established her as a trusted mentor for students and parents. Her strategic approach to admissions and her passion for guiding young minds continue to drive her success in the ever-evolving education industry.
