Implementation of LinkedIn Learning Platform
Gateway Higher Education

Principal GCAD

Principal GIET

Dear Leaders,

1. The LinkedIn Learning platform consists of thousands of technical & non-technical courses with certifications from beginner to advanced level. Gateway Higher Education had purchased 999 (Nine hundred and ninety-nine only) LinkedIn Learning Licenses for students & faculty which have been duly activated for the duration 16 Jan 24 to 15 Jan 25. The licenses have been issued to both Colleges as per following details: -

- (a) Gateway Institute of Engineering and Technology (750 licenses)
- (b) Gateway College of Architecture and Design (249 licenses)

2. The platform needs to be implemented in both the Colleges & exploited to its full potential which will help our students/ faculty to upgrade their knowledge and skills as per industry requirements duly aligned with institutional Vision.

3. **Dr. Vinay Singhal, Principal GIET** himself has consented to be the “**Institute Coordinator LinkedIn Learning**” on behalf of Gateway Higher Education for this important teaching/ learning resource which has a great learning potential for all our students in the area of Architecture, Technology, Management, Computer Sciences & Applications, Design, Soft skills. Branding, Leadership etc. **It is therefore our collective responsibility that return on Gateway Education’s investment is achieved to the fullest.**

4. In order to achieve above, it is requested to nominate one faculty each from your colleges/ departments designated as ‘**Departmental Faculty Coordinator LinkedIn Learning**’. The coordinators will submit the formal utilization policy for respective colleges via HOIs by 10 Feb 24 to the **Institute Coordinator LinkedIn Learning** as above who will collectively ensure its implementation at all the levels including inter transfer of less utilized licenses. In addition, faculty coordinators will submit the monthly implementation progress report to **Institute Coordinator LinkedIn Learning** under intimation office of the undersigned on a regular office.

03 Feb 24

5. Institute Coordinator may also undertake periodic review of licenses allotment to students & faculty and also call for regular meetings of the team both within Gateway higher education with LinkedIn Learning on required basis.

Thanking you for your cooperation and commitment.

Best wishes

Dr. (Col) A Garg
